Bear Lake Middle/High School Handbook
2021-2022

Welcome to the Bear Lake School, home of the LAKERS! We are pleased to have you here as a student. We will do our best to help you make your experience here at Bear Lake as productive and successful as you wish to make it. You will find people here who really care about you and want to help you in every way that they can.

Bear Lake School has high expectations of our students. Each of you has special talents – perhaps even undiscovered yet – that will contribute to your success here at OUR school. I wish you the best of everything as you participate in classes, athletics, students groups, club and organizations. From experience, I know that effort is often rewarded with success.

No handbook will ever be able to cover every situation. Incidents will arise that have to be handled on their own merits. If you or your parents/guardians have any questions, they are urged to contact the school for answers.

Have a great year!

FOREWARD

This student handbook was developed to answer many of the commonly asked questions that you and your parents may have during the school year and to provide specific information about certain board policies and procedures. This handbook contains important information that you should know. Become familiar with the following information and keep the handbook available for frequent reference by you and your parents. If you have any questions that are not addressed in this handbook, you are encouraged to talk to your teachers or the building principal.

This handbook summarizes many of the official policies and administrative guidelines of the Board of Education and the district. To the extent that the handbook is ambiguous or conflicts with these policies and guidelines, the policies and guidelines shall control. This handbook is effective immediately and supersedes any prior handbook and other written material on the same subjects.

This handbook does not equate to an irrevocable contractual commitment to the student, but only reflects the current status of the Board's policies and the School's rules as of July 21, 2021. If any of the policies or administrative guidelines referenced herein are revised after July 21, 2021 the language in the most current policy or administrative guideline prevails.

SCOPE OF HANDBOOK

This student handbook was developed to answer many of the commonly asked questions that you and your parents may have during the course of the school year.

This handbook supersedes all prior handbooks and other written or oral statements regarding any item in this handbook.

This handbook is intended as a guideline for parents, students, and staff in the day to day operation of this school. It is impossible to anticipate every situation and set of circumstances which may arise during the course of a school year. Therefore, parents, students, and staff must understand that the school is not limited solely to the actions outlined in this handbook.

It is particularly difficult to anticipate every disciplinary infraction, potential danger, or inappropriate behavior that might occur. The disciplinary guidelines outlined in this handbook may not be appropriate for every situation and it is understood that the school's actions will include, but not be limited to, the guidelines outlined in this handbook.

EQUAL EDUCATION OPPORTUNITY

It is the policy of this District to provide an equal education opportunity for all students.

Any person who believes that the School or any staff person has discriminated against a student on the basis of race, color, creed, disability, religion, gender, age, ancestry, national origin, or other protected characteristics as well as place of residence within District boundaries, or social or economic background, has the right to file a complaint. A formal complaint can be made in writing to the School District's Compliance Officer listed below:

Bear Lake Middle/High School Handbook
2021-2022

Sarah Harless
Principal, District Compliance Officer
7748 Cody Street
Bear Lake, MI 49614
(231) 864-3133

Eric Ware
District Compliance Officer
7748 Cody Street
Bear Lake, MI 49614
(231) 864-3133

Complaints will be investigated in accordance with the procedures as described in Board Policy 2260. Any student making a complaint or participating in a school investigation will be protected from any threat or retaliation. The Compliance Officer can provide additional information concerning equal access to educational opportunity.

PARENT INVOLVEMENT

The Board of Education recognizes and values parents and families as children’s first teachers and decision-makers in education. The Board believes that student learning is more likely to occur when there is an effective partnership between the school and the student’s parents and family. Such a partnership between the home and school and greater involvement of parents in the education of their children generally result in higher academic achievement, improved student behavior, and reduced absenteeism.

The term “families” is used in order to include children’s primary caregivers, who are not their biological parents, such as foster caregivers, grandparents, and other family members.

Through this policy, the Board directs the establishment of a Parental Involvement Plan by which a school-partnership can be established and provided to the parent of each child in the District. The plan must encompass parent participation, through meetings and other forms of communication. The entire policy can be found on the school website, NEOLA Policy 2112.

ATHLETIC BOOSTERS

Bear Lake Schools has a very active Athletic Boosters group, which supports and promotes athletics and related activities. Membership is open to any parents or interested community members and dues are very minimal.

The Bear Lake Athletic Boosters have done much to support Bear Lake Schools athletic programs and we encourage parents to become involved with the Boosters. For more information, contact Janette May at 231-645-8262.

STUDENT RIGHTS AND RESPONSIBILITIES

The rules and procedures of the School are designed to allow each student to obtain a safe, orderly, and appropriate education. Students can expect their rights to freedom of expression and association and to fair treatment as long as they respect those rights for their fellow students and the staff. Student will be expected to follow teacher directions and obey all school rules. Disciplinary procedures are designed to insure due process (a fair hearing) before a student is removed because of his/her behavior.

Parents have the right to know how their child is succeeding in school and will be provided information on a regular basis and as needed, when concerns arise. Many times it will be the responsibility of the student to deliver that information. If necessary, the mail or hand delivery may be used to insure contact. Parents are encouraged to build a two-way link with their student's teachers and support staff by informing the staff of suggestions or concerns that may help their child better accomplish his/her educational goals.

The staff expects students to arrive at school prepared to learn. It is the student's responsibility to arrive on time and be prepared to participate in the educational program. If, for some reason, this is not possible, the student should seek help from the principal.

Adult students (age 18 or older) are expected to follow all school rules. If residing at home, adult students should include their parents in their educational program.

STUDENT WELL-BEING

Student safety is a responsibility of the staff. All staff members are familiar with emergency procedures such as fire and tornado drills and accident reporting procedures. Should a student be aware of any dangerous situation or accident, s/he must notify any staff person immediately.

State law requires that all students must have an emergency medical card completed, signed by a parent or guardian, and filed in the school office. A student may be excluded from school until this requirement has been fulfilled.

Students with specific health care needs should submit those needs, in writing and with proper documentation by a physician, to the school office. All medications, prescribed and non-prescribed, are to be delivered to the main office **and taken only with adult supervision.**

INJURY AND ILLNESS

All injuries must be reported to a teacher or the office. If minor, the student will be treated and may return to class. If medical attention is required, the office will follow the School's emergency procedures.

A student who becomes ill during the school day should request permission from the teacher to go to the office. The office will determine whether or not the student should remain in school or go home. No student will be released from school without proper parental permission.

HOMEBOUND INSTRUCTION

The District shall arrange for individual instruction to students of legal school age who are not able to attend classes because of a physical or emotional disability.

Parents should contact the school administration regarding procedures for such instruction. Applications must be approved by the principal. The District will provide homebound instruction only for those confinements expected to last at least five (5) days.

Applications for individual instruction shall be made by a physician licensed to practice in this State, parent, student, or other caregiver. A physician must: certify the nature and existence of a medical condition; state the probable duration of the confinement; request such instruction; present evidence of the student's ability to participate in an educational program.

SECTION I – GENERAL INFORMATION

ENROLLING IN THE SCHOOL

In general, State law requires students to enroll in the school district in which their parent or legal guardian resides unless enrolling under the District's open enrollment policy.

New students under the age of eighteen (18) must be enrolled by their parent or legal guardian. When enrolling, parents must provide copies of the following:

- ◆ birth certificate or similar document,
- ◆ court papers allocating parental rights and responsibilities, or custody (if appropriate),
- ◆ proof of residency,
- ◆ proof of immunizations.

Under certain circumstances, temporary enrollment may be permitted. In such cases, parents will be notified about documentation required to establish permanent enrollment.

Students enrolling from another school must have an official transcript from their previous school in order to have credits transferred. The secretary will assist in obtaining the transcript, if not presented at the time of enrollment.

Homeless students who meet the Federal definition of homeless may enroll and will be under the direction of the District Liaison for Homeless Children with regard to enrollment procedures.

New students eighteen (18) years of age or older are not required to be accompanied by a parent when enrolling. When residing with a parent, these students are encouraged to include the parents in the enrollment process. When conducting themselves in school, adult students have the responsibilities of both student and parent.

A student who has been suspended or expelled by another public school in Michigan may be temporarily denied admission to the District's schools during the period of suspension or expulsion even if that student would otherwise be entitled to attend school in the District. Likewise, a student who has been expelled or otherwise removed for disciplinary purposes from a public school in another state and the period of expulsion or removal has not expired, may be temporarily denied admission to the District's schools during the period of expulsion or removal or until the expiration of the period of expulsion or removal which the student would have received in the District had the student committed the offense while enrolled in the District. Prior to denying admission, however, the Superintendent shall offer the student an opportunity for a hearing to review the circumstances of the suspension or expulsion and any other factors the Superintendent determines to be relevant.

Attendance records from a student's previous school may be integrated into Bear Lake School attendance policy.

Foreign students and foreign-exchange students (from recognized and approved student programs) are eligible for admission on the same basis as other non-resident students.

SCHEDULING AND ASSIGNMENT

Schedules are provided to each student at the beginning of the school year or upon enrolling. The schedule is based upon the student's needs and available class space. Any changes in a student's schedule should be handled through the counseling office. It is important to note that some courses may be denied because of available space or the need to take prerequisites. Students are expected to follow their schedules. Any variation should be approved with a pass or schedule change. A schedule change must be done within the first ten days of a semester.

EARLY DISMISSAL

No student will be allowed to leave school prior to dismissal time without a request by the parent, a person whose signature is on file on the school office, or the parent coming to the school office to request the release. No student will be released to a person other than a custodial parent(s) without written permission signed by the custodial parent(s) or guardian.

TRANSFER OUT OF THE DISTRICT

Parents must notify the principal about plans to transfer their child to another school. If a student plans to transfer from Bear Lake Schools, the parent must notify the principal. Transfer will be authorized only after the student has completed the arrangements, returned all school materials, and paid any fees or fines that are due. School records may not be released if the transfer is not properly completed. Parents are encouraged to contact the main office for specific details.

School officials, when transferring student records, are required to transmit disciplinary records including suspension and expulsion actions against the student.

WITHDRAWAL FROM SCHOOL

No student under the age of 18 will be allowed to withdraw from school without the written consent of his/her parents.

IMMUNIZATIONS

Students must be current with all immunizations required by law or have an authorized waiver from State immunization requirements. If a student does not have the necessary shots or waivers, the principal may remove the student or require compliance with a set deadline. This is for the safety of all students and in accordance with State law. Any questions about immunizations or waivers should be directed to the main office.

Immunization Requirements

Unless given a waiver, students must meet the following requirements:

Diphtheria	Pertussis	Polio	Measles	Rubella
Mumps	Hepatitis B	Varicella		

CONTROL OF CASUAL CONTACT COMMUNICABLE DISEASES AND PESTS

Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school's professional staff has the authority to remove or isolate

a student who has been ill or has been exposed to a communicable disease or highly-transient pest, such as lice.

Specific diseases include; diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, and other conditions indicated by the Local and State Health Departments.

Any removal will only be for the contagious period as specified in the School's administrative guidelines.

CONTROL OF NON-CASUAL CONTACT COMMUNICABLE DISEASES

In the case of non-casual contact, communicable diseases, the School still has the obligation to protect the safety of the staff and students. In these cases, the person in question will have his/her status reviewed by a panel of resource people, including the County Health Department, to insure that the rights of the person affected and those in contact with that person are respected. The School will seek to keep students and staff persons in school unless there is a definitive evidence to warrant exclusion.

Non-casual contact communicable diseases include sexually transmitted diseases, AIDS (Acquired Immune Deficiency Syndrome), ARC-AIDS Related Complex, HIV (Human-immunodeficiency), HAV, HBV, HCV, (Hepatitis A, B, C); and other diseases that may be specified by the State Board of Health.

As required by Federal law, parents will be requested to have their child's blood checked for HIV, HBV, and other blood-borne pathogens when the child has bled at school and students or staff members have been exposed to the blood. Any testing is subject to laws protecting confidentiality.

EMERGENCY MEDICAL AUTHORIZATION

The Board has established a policy that every student must have an Emergency medical Authorization Form completed and signed by his/her parent in order to participate in any activity off school grounds. This includes field trips, spectator trips, athletic and other extra-curricular activities, and co-curricular activities.

The Emergency Medical Authorization form is provided at the time of enrollment and at the beginning of each year. Failure to return the completed form to the school will jeopardize a student's educational program.

USE OF MEDICATION

The medications and/or treatments, which may be administered, are defined in Policy 5330 of the Bear Lake Schools Guideline. In those circumstances where a student must take prescribed medication during the school day, the following guidelines are to be observed:

- A. Parents should determine with their physician's counsel whether the medication schedule can be adjusted to avoid administering medication during school hours.
- B. The Medication Request and Authorization Form (5330 F1) must be filed with the respective building principal before the student will be allowed to begin taking any medication during school hours. This written and signed request form will include:
 1. student's name
 2. medication and dosage or procedure required
 3. times required
 4. special instructions including storage and sterility requirements
 5. date prescribed medication will be started

Bear Lake Middle/High School Handbook
2021-2022

6. date prescribed medication will no longer be needed
 7. physician's name, address, and telephone number
 8. authorization for school personnel to administer the prescribed medication, if necessary
 9. agreement to notify the school in writing if the medication, dosage, schedule, or procedure is changed or eliminated. A new request form must be submitted each school year.
- C. All medications to be administered during school hours must be registered with the principal's office.
- D. The parent or a responsible adult will assume safe delivery of the medicine to school.
- E. Medication that is brought to the office will be properly secured. Medication MAY NOT be sent to school in a student's lunch box, pocket, or other means on or about his/her person, except for emergency medications for allergies and/or reactions.
- F. For each prescribed medication, the container shall have a pharmacist's label with the following information:
1. student's name
 2. physician's name
 3. date
 4. pharmacy name and telephone number
 5. name of the medication
 6. prescribed dosage and frequency
 7. special handling and storage directions
- G. Any unused medication unclaimed by the parent will be destroyed by school personnel when a prescription is no longer to be administered or at the end of the school year.
- H. The parents shall have sole responsibility to instruct their child to take the medication at the scheduled time, and the child has the responsibility for both presenting himself/herself on time and for taking the prescribed medication.
- I. A log for each prescribed medication shall be maintained which will note the personnel giving the medication, the date, and the time of day. This log will be maintained along with the physician's written instructions and the parent's written permission release.

If a student is found using or possessing a nonprescribed medication without parent authorization, s/he will be brought to the school office and the parents will be contact for authorization. The medication will be confiscated until authorization is received.

Any student who distributes a medication of any kind to another student or is found to possess a medication other than the one authorized is in violation of the school's Code of Conduct and will be disciplined in accordance with the drug-use provision of the Code.

Parents may authorize the school to administer a nonprescribed medication using a form which is available at the school office. A physician does not have to authorize such medication but all of the other conditions described above under prescribed medications will also apply to nonprescribed medications. The student may be authorized on the request form by his/her parent to self-administer the medication in the presence of a school staff member. No other exceptions will be made to these requirements.

In addition to this, several procedural changes will also take place to further improve on safety and communication between home and school. The following will be in effect for the duration of this school year and thereafter:

- ◆ Parent, or other responsible adult, must deliver all medicine to school between the hours of 7:30 a.m. and 3:30 p.m.

- ◆ The medication must be in a prescription bottle with the number of pills noted on the bottle.

ASTHMA INHALERS AND EPI-PENS

Students, with appropriate written permission from the physician and parent, may possess and use a metered dose inhaler or dry powder inhaler to alleviate asthmatic symptoms. Epinephrine (Epi-pen) is administered only in accordance with a written medication administration plan developed by the school principal and updated annually.

INDIVIDUALS WITH DISABILITIES

The American's with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but to all individuals who have access to the District's programs and facilities.

A student can access Special Education services through the proper evaluation and placement procedure. Parent involvement in this procedure is required. More importantly, the School wants the parent to be an active participant. To inquire about the procedure or programs, a parent should contact Eric Ware at 864-3133.

LIMITED ENGLISH PROFICIENCY

Limited proficiency in the English language should not be a barrier to equal participation in the instructional or extra-curricular programs of the district. It is, therefore the policy of this District that those students identified as having limited English proficiency will be provided additional support and instruction to assist them in gaining English proficiency and in accessing the educational and extra-curricular program offered by the district. Parents should contact the principal to inquire about evaluation procedures and programs offered by the District.

STUDENT RECORDS

The School District maintains many student records including both directory information and confidential information.

Neither the Board nor its employee's shall permit the release of the social security number of a student, or other individual except as authorized by law (see AG 83850). Documents containing social security numbers shall be restricted to those employees who have a need to know that information or a need to access those documents. When documents containing social security numbers are no longer needed, they shall be shredded by an employee who has authorized access to such records.

Directory information can be provided upon request to any individual, other than a for-profit organization, even without the written consent of a parent. Parents may refuse to allow the Board to disclose any or all of such "directory information" upon written notification to the Board. For further information about the items included within the category of directory information and instructions on how to prohibit its release you may wish to consult the Board's annual Family Education Rights and Privacy Act (FERPA) notice which can be found at the Superintendent's office.

Other than directory information, access to all other student records is protected by (FERPA) and Michigan law. Except in limited circumstances as specifically defined in State and Federal law, the School District is prohibited from releasing confidential education records to any outside individual or organization without

the prior written consent of the parents, or the adult student, as well as those individuals who have matriculated and entered a postsecondary educational institution at any age.

Confidential records include test scores, psychological reports, behavioral data, disciplinary records, and communications with family and outside service providers.

Students and parents have the right to review and receive copies of all educational records. Costs for copies of records may be charged to the parent. To review student records please provide a written notice identifying requested student records to principal. You will be given an appointment with the appropriate person to answer any questions and to review the requested student records.

Parents and adult students have the right to amend a student record when they believe that any of the information contained in the record is inaccurate, misleading or violates the student's privacy. A parent or adult student must request the amendment of a student record in writing and if the request is denied, the parent or adult student will be informed of their right to a hearing on the matter.

Individuals have a right to file a complaint with the United States Department of Education if they believe that the District has violated FERPA.

Consistent with the Protection of Pupil Rights Amendment (PPRA), no student shall be required, as a part of the school program or the District's curriculum, without prior written consent of the student (if an adult, or an emancipated minor) or, if an unemancipated minor, his/her parents, to submit to or participate in any survey, analysis, or evaluation that reveals information concerning:

- A. political affiliations or beliefs of the student or his/her parents;
- B. mental or psychological problems of the student or his/her family;
- C. sex behavior or attitudes;
- D. illegal, anti-social, self-incriminating or demeaning behavior;
- E. critical appraisals of other individuals with whom respondents have close family relationships;
- F. legally recognized privileged and analogous relationship, such as those of lawyers, physicians, and ministers;
- G. religious practices, affiliations, or beliefs of the student or his/her parents; or
- H. income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such a program).

Consistent with the PPRA and Board policy, the Superintendent shall ensure that procedures are established whereby parents may inspect any materials used in conjunction with any such survey, analysis, or evaluation.

Further, parents have the right to inspect, upon request, a survey or evaluation created by a third party before the survey/evaluation is administered or distributed by the school to the student. The parent will have access to the survey/evaluation within a reasonable period of time after the request is received by the building principal.

The Superintendent will provide notice directly to parents of students enrolled in the District of the substantive content of this policy at least annually at the beginning of the school year, and within a reasonable period of time after any substantive change in this policy. In addition, the Superintendent is directed to notify parents of students in the District, at least annually at the beginning of the school year, of the specific or approximate dates during the school year when the following activities are scheduled or expected to be scheduled:

Bear Lake Middle/High School Handbook
2021-2022

- A. activities involving the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information for otherwise providing that information to others for that purpose); and
- B. the administration of any survey by a third party that contains one or more of the items described in A through H above.

ARMED FORCES RECRUITING

The School must provide **to official armed forces recruiters** at least the same access to the high school campus and to student directory information of the **high school** students as is provided to other entities offering educational or employment opportunities. “Armed forces” means the armed forces of the United States and their reserve components and the United States Coast Guard.

If a student or the parent or legal guardian of a student submits a signed, written request (Form 8330 F13) to the Board that indicates that the student or the parent or legal guardian does not want the student’s directory information to be accessible to official recruiting representatives then the school officials of the school shall not allow that access to the student’s directory information. The Board shall ensure that students and parents and guardians are notified of the provisions of the opportunity to deny release of Directory information. Public notice shall be given regarding right to refuse disclosure to any or all “directory information: including in the armed forces of the United States and the service academies of the armed forces of the United States.

Annually the Board will notify male students age eighteen (18) or older that they are required to register for the selective service.

STUDENT VALUABLES

Students are encouraged not to bring items of value to school. Items such as jewelry, expensive clothing, electronic equipment, and the like are tempting targets for theft and extortion. **The School cannot be responsible for their safekeeping and will not be liable for loss or damage to personal valuables.** Students are strongly encouraged to either lock their valuables in a locker or leave them in the office for safe keeping during P.E. or athletic practices. **Money, billfolds and purses should not be left unattended in the gym or locker room.**

SKATEBOARDS, ROLLERBLADES AND SCOOTERS

Skateboarding, rollerblading, shoes with skates built in and riding scooters are not permitted on school property. Should a student bring a skate board, rollerblades or scooter to school must be checked in the office immediately upon arrival and may be picked up when the student goes home.

STUDENT FEES, FINES, CHARGES AND SUPPLIES

Bear Lake School charges specific fees for the following noncurricular activities and programs. Such fees or charges are determined by the cost of materials, freight/handling fees, and add-on fees for loss or damage to school property. The school and staff do not make a profit.

The District will provide all basic supplies needed to complete the required course curriculum. The student and/or hi/her family may choose to purchase their own supplies if they desire to have a greater quantity or quality of supplies, or desire to help conserve the limited resources for use by others. The teacher or appropriate administrator may recommend useful supplies for these purposes. (See Policy 6152)

Fees may be waived in situations where there is financial hardship.

Students using school property and equipment can be fined for excessive wear and abuse of the property and equipment. The fine will be used to pay for the damage, not to make a profit.

Late fines can be avoided when students return borrowed materials promptly. Their use may be needed by others.

REVIEW OF INSTRUCTIONAL MATERIALS

Parents have the right to review any instructional materials being used in the school. They also may observe instruction in any class, particularly those dealing with instruction in health and sex education. Any parent who wishes to review materials or observe instruction should contact the Principal prior to coming to the school. Parents' rights to review teaching materials and instructional activities are subject to reasonable restrictions and limits.

MEAL SERVICE

The Board believes the development of healthy behaviors and habits with regard to eating cannot be accomplished by the District alone. It will be necessary for the school staff, in addition to parents and public at large, to be involved in a community wide effort to promote, support, and model such healthy behaviors and habits. Parents interested in being involved should contact the principal.

Bear Lake School will be participating in the Community Eligibility Provision (CEP) as part of the national School Lunch and School Breakfast Programs for the School Year 2021-2022. The Community Eligibility Provision is a non-pricing meal service option for qualifying schools. Students enrolled at Bear Lake School can receive a healthy breakfast and lunch at no charge to your household each day. In place of Free and Reduced Application we still need your household to fill out and sign the Household Information Report. This report is critical in determining the amount of money that our school receives from a variety of State and Federal supplemental programs like Title 1A, At-Risk (31A), Title IIA, E-Rate, etc. New Household Information Reports must be submitted to school every school year.

Bear Lake School District participates in the National School Food Program and complies with their regulations regarding school meals. The U.S. Department of Agriculture prohibits discrimination against its customers, employees, and applicants for employment on the bases of race, color, national origin, age,

disability, sex gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. (Not all prohibited bases will apply to all programs and/or employment activities.)

The alarm signal for fire drills consists of a high pitched audible alarm.

Tornado drills will be conducted during the tornado season using the procedures provided by the State. The alarm signal for tornadoes is different from the alarm signal for fires and lock down drills and consists of a P.A. announcement.

Lock down drills in which the students are restricted to the interior of the school building and the building secured will occur a minimum of two (2) times each school year. The alarm system for a school lock down is different from the alarm system for fires and tornadoes and consists of a P.A. announcement.

Parents and students are responsible for knowing about emergency closings and delays.

VISITORS

Visitors, particularly parents, are welcome at the school. In order to properly monitor the safety of students and staff, each visitor must be buzzed in at a main entrance and report to the office upon entering the school to obtain a pass. Any visitor found in the building without a pass shall be reported to the principal. If a person wishes to confer with a member of the staff, s/he should call for an appointment prior to coming to the School, in order to schedule a mutually convenient time.

Students may not bring visitors to school without prior written permission from the Principal two days in advance.

USE OF THE LIBRARY

The library is available to students throughout the school day. Passes may be obtained from a student's teacher or from the librarian. Books on the shelves may be checked out for a period of two weeks. To check out any other materials, contact the librarian.

The lost and found area is in the hallway near the lower gymnasium or near the entrance to the playground. Students who have lost items should check there and may retrieve their items if they give a proper description. Unclaimed items will be given to charity at the close of each semester.

STUDENT SALES

No student is permitted to sell any item or service in school without the approval of the Principal. Violation of this may lead to disciplinary action.

STUDENT FUNDRAISING

Bear Lake School allows many opportunities for students to participate in fundraising to help with the cost of Grace Adventures Trip, Senior Trip, and purchase of Cap and Gowns for the graduation ceremony. The money raised by Bear Lake students in the name of Bear Lake School for specific school sponsored student events must be kept at Bear Lake School.

If a student graduates from Bear Lake School, any money remaining in the student's account may be gifted to a sibling. If there is not a sibling to gift the money to, it will be absorbed into the class account. Money remaining will end up in the general fund for that class. Money left in a graduating class account at the end of the year may be spent on a gift for the school in honor of that class, or it may be gifted to the class advisors for the next incoming class.

Money raised in the name of Bear Lake School may only be spent on the following:

- Grace Adventures Trip
- Senior Trip
- Cap and Gown
- Flowers for graduation ceremony
- Or other school sponsored trips

Class funds may also be spent on the cost of flowers for members of that class in the case of accidents, hospital stays, funerals, ect. This spending is up to the class advisor's discretion.

Bear Lake Middle/High School Handbook
2021-2022

Students participating in school-sponsored groups and activities will be allowed to solicit funds from other students, staff members, and members of the community in accordance with school guidelines. The following general rules will apply to all fund-raisers.

Students may not participate in fund-raising activities off school property without proper supervision by approved staff or other adults.

Students may not engage in house-to-house canvassing for any fund-raising activity.

Students who engage in fund raisers that require them to exert themselves physically beyond their normal pattern of activity, such as "runs for...", will be monitored by a staff member in order to prevent a student from over-extending himself/herself to the point of potential harm.

Students may not participate in a fund-raising activity conducted by a parent group, booster club, or community organization on school property without the approval of the Principal.

Students who owe time due to absences must have all time made up prior to attending the field trip. Students may appeal to the Principal should extenuating circumstances exist.

Students learn through a variety of experiences. In some cases, the classroom cannot provide the same quality learning experience as a trip to a particular site or event. All planned trips are considered to be part of the student's educational program for the day. We expect all students to participate in the activity. Students may be exempted from the activity due to health reasons. Other factors such as behavior, as identified by parents or teachers, can exclude a student's participation in a trip.

Also, parents are expected to be positive role models for the students and not smoke during the school-sponsored activity. Students must have parental consent to attend study trips.

GRADES

Bear Lake School has a standard grading procedure, as well as additional notations that may indicate work in progress or complete work. The purpose of a grade is to indicate the extent to which the student has acquired the necessary learning. In general, students are assigned grades based upon test results, homework, projects and students are assigned grades based upon test results, homework, projects and classroom participation. Each teacher may place a different emphasis on these areas in determining a grade and will so inform the students at the beginning of the course work.

If a student is not sure how his/her grade will be determined, s/he should ask the teacher.

Bear Lake Middle/High School Handbook
2021-2022
GRADING SYSTEM

The School uses the following grading system:

93-100	A	4.0
90-92	A-	3.7
87-89	B+	3.3
83-86	B	3.0
80-82	B-	2.7
77-79	C+	2.3
73-76	C	2.0
70-72	C-	1.7
67-69	D+	1.3
63-66	D	1.0
60-62	D-	0.7
59 & Under	E	0.0
CR	-	Credit
NC	-	No Credit
I	-	Incomplete

Grade Point Average

To calculate a grade point average (G.P.A.) assign a weighted point value to each course grade and divide by the total number of credits. For partial-credit courses use the fractional value of the grade. For example, a half credit course with an earned grade of C would be $.5 \times 2 = 1$. Then add to the other grades earned for total points earned. This total is then divided by the total credits earned for the G.P.A. This can be done by grading period, semester, year or for a series of school years.

Grading Periods

Students shall receive a report card at the end of each nine-week period indicating their grades for each course of study for that portion of the academic term.

When a student appears to be at risk of failure, notification will be provided to the parents so they can talk with the teacher about what actions can be taken to improve poor grades.

SPECIAL NOTE: Class standing (ranking) will be based on grade point average. Naming of the Valedictorian and Salutatorian will be based on the highest and the second highest grade point average calculated to the nearest hundredth at the end of seven (7) semesters of study plus the high school credits earned in 8th grade.

Excluding College Credit Dual Enrollment Courses. If there is a tie, co-Valedictorians will be named.

To be considered for academic honors (valedictorian, salutatorian), a student must attend Bear Lake High School for a minimum of two years, beginning the start of their junior year. Course work completed elsewhere may be counted for credit but will not be computed for students' GPA when determining academic honors.

Bear Lake Middle/High School Handbook
2021-2022
PROMOTION, PLACEMENT AND RETENTION

Promotion, placement, and retention is based on the following criteria:

1. Current level of achievement (evaluation of grades, local test data, state test data)
2. Potential for success at the next level
3. Emotional, physical, and social maturity

A student's progress toward graduation and receiving a diploma is determined by completing required coursework, earning the necessary credits and passing the State mandated tests. A student is only promoted when the necessary requirements are met or the student has completed the goals and objectives of an Individualized Education Plan (IEP) **or in a personal curriculum**. It is the student's responsibility to keep in contact with his/her counselor and teachers to ensure that all requirements are being met. Information about credit and course requirements is available in the Guidance Office and a counselor will be pleased to answer any questions.

Move Up Students

The main purpose of this move up is to give these students an academic advantage when they take such high stakes tests as the PSAT, the ACT, or the SAT during their high school careers. This move will also give these students the benefit of taking college classes their senior year, in effect giving them a free year of college at West Shore Community College.

Move up students are expected to take college preparation courses throughout their high school careers. They must maintain a 3.5 or better cumulative GPA to remain in the program.

Students may elect at anytime to drop back to take classes at a normal rate with their original class. If they fall below a 3.5 cumulative GPA in any semester grading period, they will be asked to move back with their original class.

It is understood that moving back will result in taking some of their classes for a second time.

Recommendations to this program will be based upon outstanding grades, performance on the MEAP tests as well as scoring in the top area on the NWEA test. Admission to this program will be granted only upon the approval of the Principal using at least two of the three above mentioned criteria in addition to teacher recommendations.

High School

A student's progress toward graduation and receiving a diploma is determined by completing required course work, earning the necessary credits and passing the State mandated tests. A student is only promoted when the necessary requirements are met or the student has completed the goals and objectives of an Individualized Education Plan (I.E.P.). It is the student's responsibility to keep in contact with his/her counselor and teachers to ensure that all requirements are being met. Information about credit and course requirements is available in the Guidance office and a counselor will be pleased to answer any questions.

The following number of earned credits designated the grade in which the student will be registered:

- Freshman = 0-8 Credits
- Sophomore = 9-13 Credits
- Junior = 14-19 Credits
- Seniors = 20 or more credits

Testing Out of a Class

In compliance with the Michigan school Code (Section 1279b), Bear Lake High School pupils may test out of a course. The following conditions affect this policy. The students must be enrolled in high school at Bear Lake. A student may not attempt to test out of a class while enrolled in that class. The student may not have already received a grade, either passing or failing, in the course. Credit will be granted toward graduation. Credit awarded for testing out of a course will be on a pass basis and will not impact a student's grade point average. Credit will be granted when mastery exceeds eighty percent or more on the exit exam for each subject. Criteria will be developed for students to "test" out of a class at the Middle School by State assessment/Top Score, NEWA ELA 220 or higher, Classroom Grades/A's, Citizenship, and Test out Options. Criteria will be developed for students to "test" out of a class at the High School Level by MVU Test Out Options, Spanish Uses Final Exams, and Teacher Made Tests. Requests to test out of a class must be received in writing by the Principal within the first two weeks of a semester. The high school counselor will establish dates for exams each semester after meeting with the students, and will notify the student's parents/guardians by mail, of the students' intent to earn credit by examination.

EDUCATIONAL DEVELOPMENT PLAN

Each student shall have the opportunity to develop an Educational Development Plan (EDP) during the 7th grade and is required to review his/her educational development plan during grade 8 and revise it as appropriate before s/he begins high school. An educational development plan shall be developed, reviewed, and revised by the student under the supervision of the student's school counselor and another designee qualified to act in a counseling role selected by the school Principal and shall be based on high school readiness scores and a career pathways program or similar career exploration program. An educational development plan shall be designed to assist students to identify career development goals as they relate to academic requirements. During the process of developing and reviewing a student's educational development plan, the student shall be advised that many of the curricular requirements may be fulfilled through career and technical education. The plan must be based on a career exploration program and high school readiness scores, to assist the student in identifying career development goals as they relate to academic requirements.

PERSONAL CURRICULUM

The District shall not limit or discourage the number of students with a personal curriculum on any basis other than the best interests of each individual student.

A parent or legal guardian of a student who has completed grade 9 may request a personal curriculum for the student that modifies certain Michigan Merit Standard requirements. If all of the requirements for a personal curriculum are met, then the Board may award a high school diploma to a student who successfully completes his/her personal curriculum even if it does not meet the requirements of the Michigan Merit Standard. If the request for a personal curriculum is made by the student's parent or legal guardian or, if the student is at least age eighteen (18) or is an emancipated minor, by the student, the school District shall develop a personal curriculum for the student.

The District annually shall notify each of its students and a parent or legal guardian of each of its students that all students are entitled to a personal curriculum. The annual notice shall include an explanation of what a personal curriculum is and state that if a personal curriculum is requested, and will grant that request. The District shall provide this annual notice to parents and legal guardians by sending a written notice to each student's home or by including the notice in a newsletter, student handbook, or similar communication that is sent to a student's home, and also shall post the notice on the school District's website.

Please contact the school principal or counselor for more information on personal curriculum.

CAREER TECH

Bear Lake High School is involved with the Career Tech program through Wexford-Missaukee Career Tech Center. Career Tech is a comprehensive learning experience, which connects and integrates the last two years of high school with continuing education at Wexford-Missaukee Career Tech Center and other post-secondary education institutions.

Juniors and seniors may enroll with the permission of the Principal in a wide range of technical education programs offered on the campus of Wexford-Missaukee Career Tech Center. Classes meet every day, in a two hour block, and involve a full year's course work. Transportation is provided, leaving Bear Lake School at 7:55 a.m. a.m. and returning approximately at 11:50 a.m. The student or his parents may be responsible for the Career Tech tuition if the student does not attend the full school year, or does not maintain a 2.0 or better grade point in the program. The student or his/her parents may also be responsible for the Career Tech tuition if the student does not fulfill all attendance requirements as set by the Career Tech program. Students admitted to acceptable Career Tech courses outside the service area will be funded at the same rate as if the student is admitted to a Wexford-Missaukee Career Tech program. However, transportation may not be furnished to students taking courses outside the service area.

Career Tech students are expected to fulfill all of their requirements for graduation either before or during their Career Tech experience and must have taken the Michigan High School Proficiency Test.

DUAL ENROLLMENT

Students currently enrolled in the Bear Lake School District at the High School level may enroll in a post secondary, public or private, degree-granting institution. Bear Lake students may become Dual Enrollment students by having a minimum 2.0 GPA and passing the Accuplacer Test through West Shore Community College.

Students interested in this option should make a request to the principal. S/he should request interest to discuss possible course selections in order to guide students to select courses that can enhance the possibility of their attending a post-secondary institution after they graduate.

Dual Enrollment students are free to choose the academic classes they take at college. Dual Enrollment students are expected to fulfill all Bear Lake graduation requirements and are to maintain student status for Bear Lake School. Should the student not complete courses in which s/he is enrolled at the institution, any refundable tuition and/or fees are to be paid to the District. **A student that does not receive college credit for a course under the Dual Enrollment legislation is required to repay the school district any funds that were expended for the course that were not already refunded by the eligible postsecondary institution. If the student does not repay the funds as described in (MCL 388.514), the district may impose sanctions as determined by school policy. A student may take dual enrolled courses (including ones that were previously taken unsuccessfully) if the funds are repaid and if they still meet all other eligibility requirements. Also, the student will not be reimbursed for the cost of the book(s) and/or materials. The student is expected to successfully complete the course with a "C" or**

better, or s/he may not be eligible for dual enrollment the next semester. Course work completed at a post-secondary institution will not count in the computation of high school grade point average (GPA) if that course is taken to fulfill a graduation requirement. Academic courses which do not count toward graduation requirements in Math, Language Arts, Social Studies, or Science may be counted toward a student's GPA if the student notifies the principal in writing of this intent within two weeks of receiving the grade. Non-academic classes not taken to fulfill graduation requirements may not be counted toward a student's GPA. Books and materials not available from the school for Dual Enrollment classes shall be purchased by the student and will be reimbursed by the school upon successful completion of the course work and receipt turned in.

Dual Enrollment – On-line Courses

Students will have the opportunity to take on-line courses for dual enrollment with the approval of the Principal. If a student does not complete or fails an on-line course, the student will reimburse Bear Lake Schools for the cost of the course and any material.

Dual Enrollment course work which is used to fulfill a graduation requirement must be approved by the Principal. A waiver must be signed by the Principal, the student, and the student's parents indicating that failure of the course may result in the student not graduating with his or her graduating class.

RECOGNITION OF STUDENT ACHIEVEMENT

Students who have displayed significant achievements during the course of the year are recognized for their accomplishments. Areas that may merit recognition include but are not limited to academics, athletics, performing arts, citizenship and volunteerism. Recognition for such activities is initiated by the staff and coordinated by the principal.

3. Students with a failing grade or incomplete in any course will be considered ineligible for honor and merit rolls.

Athletic Awards

Requirements for athletic awards are developed by each head coach with the approval of the Athletic Director. These requirements will be reviewed with interested students by the appropriate coach.

HOMEWORK

The assignment of homework can be expected. Student grades will reflect the completion of all work, including outside assignments. Homework is also part of the student's preparation for the state mandated test and graduation.

Homework will not generally be used for disciplinary reasons but only to enhance the student's learning.

Bear Lake Middle/High School Handbook
2021-2022
STUDENT ASSESSMENT

7th – 10th Grade – NWEA (three (3) times per year) and State Assessment

8th – 10th Grade – PSAT and State Assessment

11th Grade – State Assessment and SAT

Classroom tests will be used to assess student progress and assign grades. These are selected or prepared by teachers to assess how well the students have achieved specific objectives.

In compliance with the Michigan school Code (Section 1279b), Bear Lake High School pupils may test out of a course. The following conditions affect this policy. The students must be enrolled in high school at Bear Lake. A student may not attempt to test out of a class while enrolled in that class. The student may not have already received a grade, either passing or failing, in the course. Credit will be granted toward graduation. Credit awarded for testing out of a course will be on a pass basis and will not impact a student's grade point average. Credit will be granted when mastery exceeds eighty percent or more on the exit exam for each subject. Criteria will be developed for students to "test" out of a class at the Middle School by State assessment/Top Score, NEWA ELA 220 or higher, Classroom Grades/A's, Citizenship, and Test out Options. Criteria will be developed for students to "test" out of a class at the High School Level by MVU Test Out Options, Spanish Uses Final Exams, and Teacher Made Tests. Requests to test out of a class must be received in writing by the Principal within the first two weeks of a semester. The high school counselor will establish dates for exams each semester after meeting with the students, and will notify the student's parents/guardians by mail, of the students' intent to earn credit by examination.

Students may receive credit toward high school graduation who successfully completes, prior to entering high school, a State mandated curriculum requirement, provided the course meets the same content requirements as the high school course, and the student has demonstrated the same level of proficiency on the material as required of the high school students.

Vocational and interest surveys may be given to identify particular areas of student interest or talent. These are often given by the guidance staff. If necessary, intelligence tests, speech and language evaluations, individually administered achievement tests, and other special testing services are available to students needing these services.

Students will not be required, as part of the school program or District curriculum, to submit to or participate in any survey, analysis, or evaluation that reveals information of a personal nature in accordance with Board policy and Federal guidelines.

Depending on the type of testing and specific information requested, parent (or student) consent may need to be obtained. Bear Lake Schools will not violate the rights of consent and privacy of a student participating in any form of evaluation.

College entrance testing information can be obtained from the Guidance Office.

SECTION III – STUDENT ACTIVITIES

SCHOOL-SPONSORED CLUBS AND ACTIVITIES

Bear Lake School provides students the opportunity to broaden their learning through curricular-related activities. A curricular-related activity may be for credit, required for a particular course, and/or contain school subject matter.

A student's use of a performance-enhancing substance is a violation that will affect the student's extracurricular participation.

The School has many student groups that are authorized by the School. It is the District's policy that they only authorized groups are those approved by the Board of Education and sponsored by a staff member. Authorized groups include:

National Honor Society
Robotics
Science Olympiad
Student Council
Quiz Bowl
After School Program

Co-curricular activities do not reflect the school curriculum, but are made available to students to allow them to pursue additional worthwhile activities such as recreational sports, drama, and the like.

All students are permitted to participate in the activities of their choosing, as long as they meet the eligibility requirements. Eligibility to be determined by the same standards that apply to the Athletic Code/Student Conduct Code.

NONSCHOOL-SPONSORED CLUBS AND ACTIVITIES

The applicant must verify that the activity is being initiated by students, that attendance is voluntary, that no school staff person is actively involved in the event, that the event will not interfere with school activities and that nonschool persons do not play a regular role in the event. All school rules will still apply regarding behavior and equal opportunity to participate.

Membership in any fraternity, sorority, or any other secret society as prescribed by law is not permitted. All groups must comply with School rules and must provide equal opportunity to participate.

No nondistrict-sponsored organization may use the name of the school or school mascot.

National Honor Society

The Bear Lake High School Chapter of the National Honor Society has been in existence since 1974. Membership in the National Honor Society is a coveted honor.

Senior Trip Policy

Participation in a senior trip is a privilege reserved for members of the current senior class and their class advisors. As planning for the trip occurs at the beginning of the school year, it becomes imperative to make concrete decisions. Seniors will work directly with their class advisor on preparations for the senior trip. A trip proposal must be submitted to the Principal by January of the graduating year. All deposits made toward securing travel, accommodations, etc. are nonrefundable and Bear Lake School is not responsible for said deposits. Students eligible for this trip must meet the following criteria:

1. Must be graduating the current year.
2. Must be in attendance for minimum of 78 of 90 semester days first semester, and no more than ten absences at the time of the trip, second semester.
3. Must have a grade point average of 2.0 and no failing grades at the end of the first semester and the third marking period.
4. No major discipline problems (no more than one (1) out of school suspension) or criminal action during the student's senior year.
5. Eligibility for senior trip will be determined after the third marking period.

If a student is in violation of one or more of the above, s/he may make an appeal to a Board of Review, made up of the principal, class advisors, and two (2) senior class officers for consideration.

The following are the regulations established for every senior trip:

Bear Lake Middle/High School Handbook
2021-2022

1. Students involved in a gross misbehavior may be sent back to Bear Lake at the expense of the parent or student, if guilty of the following, but not limited to:
 - a. Possession of or consumption of any beverage containing alcohol.
 - b. Possession of or use of any drug or other substance which produces abnormal behavior.
 - c. Any behavior so determined by the class advisor (chaperon) which warrants immediate removal from the group.
2. Students committing a gross misbehavior will be suspended for a minimum of five (5) days. Students will not be permitted to participate in any athletic or school sponsored extracurricular activities for the remainder of the year.
3. Students will not be permitted to smoke while being transported to or on any of the organized school tour activities. Smoking at inappropriate times may be considered a gross misbehavior.
4. Student misbehavior not determined to be gross misbehavior will be dealt with upon return of the group. Appropriate punishment will be established by the Principal after consulting with the chaperons and conferring with the student. Possible punishment could include suspension from school and loss of privileges to attend any school sponsored activity other than graduation.
5. The designated class chaperon will be in charge of all discipline matters during the trip. S/he will have the authority to establish rules on the senior trip.
6. The senior trip begins at the school. Before departure, a suitcase check may be made.
7. Any transportation costs for the senior trip will be paid by the senior class.

STUDENT EMPLOYMENT

If a student believes that s/he must maintain a job in addition to going to school, s/he must first make contact with the main office to obtain a work permit.

DANCES

1. Bear Lake student dances will be for Bear Lake Middle and High School students and their previously approved guest. Middle School students may not attend a high school dance or vice versa.
2. A Bear Lake student may sign up one (1) approved guest on a list in the Principal's office during the week prior to the dance. Guests will not be able to sign up at the entrance.
3. The doors of the dance will be open for one hour only from the scheduled start.
4. Once a student leaves the building from the dance, the student cannot reenter under any circumstances.
5. A school dance is considered a school event and all rules of conduct apply.

6. Dance will be finished by 11:45 p.m. Sponsoring clubs must consider this when contacting music.

HOMEcomings

Homecoming for Bear Lake Schools will be held annually during boys and girls basketball seasons. During Homecoming, each foreign exchange student will be on the Court to represent his or her country. All Homecoming Court members must have been enrolled in Bear Lake Schools during the previous school year.

SECTION IV – STUDENT CONDUCT

ATTENDANCE

It is imperative that students be in attendance each school day in order not to miss a significant portion of their education. Many important learnings result from active participation in classroom and other school activities which cannot be replaced by individual study.

Attendance is important in the development of a high quality work ethic which will be a significant factor in a student's success with future employers. One of the most important work habits that employers look for in hiring and promoting a worker is his/her dependability in coming to work every day and on time. This is a habit the School wants to help students develop as early as possible in their school careers.

Excusable, Approved Absences

Students may be excused from school for one or more of the following reasons and will be provided an opportunity to make-up missed school work and/or tests:

1. Personal Illness
 - a. Doctor's written excuse related to the illness or affliction
2. Illness in the Family
3. Quarantine of the Home
 - a. This is limited to the length of the quarantine as fixed by the proper health officials.
4. Death of a Relative
5. Observance of Religious Holidays
 - a. Any student shall be excused for the purpose of observing a religious holiday consistent with his/her creed or belief
6. Absence During the School Day for Professional Appointments
 - a. Parents are to be encouraged to schedule medical, dental, legal, and other necessary appointments other than during the school day. Since this is not always possible, when a student is to be absent for part of the day:
 - b. The student shall have a statement to that effect from his/her parents.
 - c. The student shall report back to school immediately after his/her appointment if school is still in session.
 - d. When leaving for a professional appointment, please sign out when you leave and sign in when you return, in the front office. This policy is established for the safety of our students. Absences that do not accumulate against this guideline include field trips, college visits, and school related or sponsored activities.

Students with a health condition that causes repeated absence are to provide the school office with an explanation of the condition from a registered physician.

Parents must provide an explanation for their child's absence by no later than noon on the day of absence or by the following day. They are to call the school secretary at 864-3133 and explain the reason for the absence. If the absence can be foreseen and the "good cause" must be approved by the principal, the parent should arrange to discuss the matter as many days as possible before the absence will occur so that arrangements can be made to assist the student in making up the missed school work.

Students who are excusably absent for more than six days in a grading period, regardless of the reasons, will be considered "frequently absent". If there is a pattern of frequent absence for "illness", the parents will be required to provide a statement from a physician describing the health condition that is causing the frequent illness and the treatment that is being provided to rectify the condition. Without such a statement, the student's permanent attendance record will indicate "frequent unexplained illness", a possible sign of poor work ethic and irresponsible behavior.

During the next grading period, a "frequently-absent" student will be placed on "attendance watch" to monitor whether or not the pattern continues. If it continues, the student may be denied the opportunity to participate in noncurricular school activities and events and a notation made on his/her [] grading record [] transcript concerning his/her frequent absence from school. Such a report may be provided postsecondary institutions and/or possible employers.

Excusable, Non-Approved Absences

If a student is absent from school because of suspension or vacation, the absence will not be considered a truancy, and s/he may be given the opportunity to make up the schoolwork that is missed.

Unexcused Absences

Any student who is absent from school for all or any part of the day without a legitimate excuse shall be considered truant and the student and his/her parents shall be subject to the truancy laws of the State.

No credit shall be given for any schoolwork not completed as a result of truancy.

All unexcused absences will be disciplined as indicated in the Student Discipline Policy.

Truancy

Unexcused absence from school (truancy) is not acceptable. Students who are truant will receive no credit for school work that is missed. After six (6) days of truancy in any grading period, a student will be considered an "habitual truant" which can result in:

- A. loss of participation in school activities and events;
- B. A hearing before a judge in a court of law;
- C. A report to local authorities concerning lack of parental responsibility in providing proper care and supervision of a child.

Vacations During the School Year

Parents are encouraged **not** to take their child out of school for vacations. When a family vacation must be scheduled during the school year, the parents should discuss the matter with the Principal and the student's teachers to make necessary arrangements. It may be possible for the student to receive certain assignments that are to be completed during the trip.

Make-up of Tests and Other School Work

Students who have an excused absent from school or who have been suspended shall be given the opportunity to make up work that has been missed. The student should contact his/her teachers as soon as possible to obtain assignments.

Notification of Absence

All students arriving after the start of school are required to officially “sign in” at the front office. If a student has to leave school prior to the normal dismissal time, the student must have parental permission in the form of a note. Alternately, a phone call, made from the front office, will also allow a student to leave provided that a staff member speaks to the student’s parent or guardian. The student must officially “sign out” at the front office before leaving the school.

All students, including 18 years old, must sign out when leaving the school. All students must get permission of the Principal before leaving the building. If a student is not leaving with their parents, the parents will still be notified if the students leave the building.

If a student is going to be absent, the parents must contact the school at 864-3133 by 9:00 a.m. and provide an explanation. If prior contact is not possible, the parents should provide a written excuse as soon as possible. When no excuse is provided, the absence will be unexcused and the student will be considered truant. If the absence of a student appears to be questionable or excessive, the school staff will try to help the student improve attendance.

Letters will be sent out to students and parents based on the following criteria:

- four (4) absences in any class period per marking period
- six (6) absences in any class period per marking period

It is felt that attendance for a minimum of 39 of 45 marking period days will normally allow student sufficient exposure to receive credit in a class if all other classroom objectives have been satisfactorily met. If not, a student will receive a “no” meaning no grade, no credit for semester, and will be allowed to retake the class. The only exception to this would be if the parents meet with the Principal and can justify the absences and the teacher confirms that the work has been made up to the satisfaction of the teacher. The student will be required to make up time beyond 6 absences. For each day they miss beyond the 6 absences, they must make up six hours.

If a student is under sixteen (16) years of age and has continued poor attendance patterns, as outlined under these rules, the student and his/her family will be referred to a school liaison officer, the MISD, and to Probate Court for appropriate action.

A student who accrues ten (10) or more consecutive unexcused absences during a semester will be dropped from the Bear Lake School district enrollment. If the student is under sixteen, the student and his/her family will be referred to a school liaison officer, the MISD, and the Probate Court for appropriate action. Should this student re-enroll, they will carry with them any prior absences acquired during that semester.

If the absence is unexcused or unauthorized by the Principal, a student will not be given the opportunity to make up the work.

The skipping of classes or any part of the school day is considered an unexcused absence and no make-up of class work will be permitted. Disciplinary action will also follow.

Bear Lake Middle/High School Handbook
2021-2022

Students who are absent from school or suspended shall be given the opportunity to make up work that has been missed. It is the responsibility of the student to obtain missed assignments. It is possible that certain kinds of schoolwork such as labs or skill-practice sessions cannot be make up and, as a result, may negatively impact a student's grade. Student should contact his/her teachers within two days to obtain assignments. Failure to contact the teacher will result in no credit.

Make-up work due to excused absence must be completed within the same number of days the student was absent.

If a student misses a teacher's test due to excused absence, s/he may make arrangements with the teacher to take the test. If s/he misses a MME/MEAP Test or other standardized test, the student should consult with the principal to arrange for taking the test.

The administration reserved the right to use its discretion as needed in all situations regarding attendance.

CODE OF CONDUCT

A major component of the educational program at Bear Lake Middle/High School is to prepare students to become responsible workers and citizens by learning how to conduct themselves properly and in accordance with established standards.

Expected Behaviors

Each student shall be expected to:

Abide by national, state, and local laws as well as the rules of the school

Respect the civil rights of others

Act courteously to adults and fellow students

Be prompt to school and attentive in class

Work cooperatively with others when involved in accomplishing a common goal regardless of the other's ability, gender, race, or ethnic background

Complete assigned tasks on time and as directed

Help maintain a school environment that is safe, friendly, and productive

Act at all times in a manner that reflects pride in self, family, and in the school

CARE OF PROPERTY

Students are responsible for the care of their own personal property. The school will not be responsible for personal property. Valuables such as jewelry or irreplaceable items should not be brought to school. The School may confiscate such items and return them to the student's parents.

Damage to or loss of school equipment and facilities wastes taxpayers' money and undermines the school program. Therefore, if a student does damage to or loses school property, the student or is/her parents will

be required to pay for the replacement or damage. If the damage or loss was intentional, the student will also be subject to discipline according to the Student Discipline Code.

LOCKERS

A locker with a combination lock is assigned to each student at the beginning of the year. Lock combinations are changed each year and the combination is issued only to the student who is responsible for his or her own locker and possessions. The lockers are the property of Bear Lake School and are subject to inspection by authorized school personnel. The school is not responsible for stolen items. (Do not give any other individual your combination). Sharing lockers with other students is not allowed unless assigned by an administrator.

LUNCH PERIOD PROCEDURES

Every student at Bear Lake School is assigned a lunch period. The following guidelines are to be followed as acceptable routine behavior during this time.

1. Students are to proceed from their class to the cafeteria area when their lunch is scheduled.

4. Students are not to use or ride in motorized vehicles of any kind during the lunch hour without permission of a building administrator.

3. Any actions or game, which poses a threat of injuring someone, will not be permitted.

Violations: Any deviation from the above acceptable norms for lunch period conduct will result in disciplinary action.

CORRIDOR CONDUCT

Hallways of a building give a lasting impression of the institution to visitors. Favorable impressions can be obtained by keeping corridors clean and orderly and by maintaining proper conduct therein.

1. There should be no yelling, running, touching the ceiling, jumping steps or lying on the hall floors. Violations will result in a detention.
2. Book bags/backpacks/gym bags must be stored in a student's locker and not on the floor.
3. Students will maintain proper relations at all time. (See guidelines for Body Contact)
4. Do not use the Media Center as a hallway.
5. No glass containers will be allowed at any time.

7. No food shall be allowed in the school corridors at any time. Food shall be consumed in the cafeteria.

SOFT DRINK POLICY FOR DAY SCHOOL STUDENTS

Only juice or water in resealable bottles will be allowed outside the cafeteria. Juices are not permitted in classrooms without teacher permission. Only a resealable water bottle will be permitted in the classroom during the school day. Beverages in cups or glasses of any kind will not be permitted within the school. Students are not permitted soft drinks (pop) within the building during school hours.

STUDENT CONDUCT AND DISCIPLINE POLICY

Philosophy of Discipline

Bear Lake School believes that every student should have an equal opportunity to gain an education, which is beneficial to the student and society, and that an atmosphere conducive to instruction must exist if learning is to occur. The parent-teacher team must work cooperatively and use all possible means to direct students toward acquiring behavior and attitudes compatible with community norms. It is important that the child is taught such behavior at home. The school must have the cooperation of the parents and students if an atmosphere is to be created within the school setting, which permits education to take place. Therefore, guidelines and rules have been established which are fair and reasonable. Those who violate the rules and guidelines, thus compromising the educational atmosphere, must be disciplined and even separated from members, if need be, to preserve the very basic purpose of attending school – EDUCATION.

When a student has involved himself/herself in such misbehavior and has not responded to basic methods of school discipline, s/he will be returned to the parent or guardian who has the primary responsibility for his/her behavior. The primary reason here is to develop a working relationship between the parent and the student, since the parent, after being made fully aware of the situation, will exercise his/her parental responsibility before re-admission.

Students are expected to be in the classroom prepared to learn. Students who disrupt classroom routine or who distract teachers and students may be removed from the classroom. Because of the nature of certain classrooms, teachers may establish specific regulations to apply to individual situations.

The Board of Education has adopted the following student Discipline Code. The Code includes the types of misconduct that will subject a student to disciplinary action. The Board has also adopted the list of behaviors and the terms contained in the list.

It is the school staff's responsibility to provide a safe and orderly learning environment. History has shown that certain student actions are not compatible with a "safe" and "orderly" environment. Discipline is within the sound discretion of the School's staff and administration. Due process ensures that disciplinary action is imposed only after review of the facts and/or special circumstances of the situation.

The Bear Lake Board of Education of the Bear Lake School District does not discriminate on the basis of sex in its education programs or activities, and is required by title IX of the Education Amendments Act of 1972, and its implementing regulations, not to discriminate in such a manner. (see Policy 2266)

Discipline

It is important to remember that the school's rules apply going to and from school, at school. On school property, at school-sponsored events, and on school transportation. In some cases, a student can be suspended from school transportation for infractions of school bus rules.

Two types of discipline are possible, informal and formal.

Informal Discipline

Informal discipline takes place within the school. It includes:

- writing assignments
- change of seating or location;
- lunchtime detention
- in-school restriction

Student-Teacher Relationship

Students may, on occasion, disagree with a teacher. Many times, these types of issues are easily cleared up when the teacher and student are provided with an opportunity to share their thoughts with one another in a private setting. These issues, misunderstanding, or disagreements should not be resolved in front of, or during a class. Students wishing to address these types of issues should follow the steps as they are outlined below.

- 1st Step: The student should schedule a meeting with the teacher to resolve the problem or differences. Both parties should mutually agree upon the date and time for the meeting. The meeting could occur before school, during seminar, lunch, the teacher's planning period, or after school.
- 2nd Step: In the event that the student and teacher are unable to resolve their differences, a meeting should be scheduled with the student's parents and the teacher. Both parties should mutually agree upon the date and time for the meeting.

- 3rd Step: In the event that the parent and teacher are unable to resolve their differences, a meeting should be scheduled with the high school principal, student, parent, and teacher all present. All parties should mutually agree upon the date and time for the meeting.
- 4th Step: In the event that the principal is unable to resolve the differences, the parent may schedule a meeting with the Superintendent of School. All parties should mutually agree upon the date and time for the meeting. The Superintendent shall determine who should be present during this meeting.

Detention Policy

Bear Lake School operates a detention system whereby students who have violated acceptable procedure and behavior norms will be able to redeem themselves via “the make-up of time.”

The purpose of this system is to permit students the opportunity to spend time in a controlled student situation. It is very important that the school and parents work together to help the students learn the proper behavior and that students have certain consequences for inappropriate behavior.

Teachers or administrators can issue detentions, and the student must serve when assigned. If the student cannot stay the day assigned, arrangements must be made with the Principal for an alternate day. In case of mitigating circumstances, the decision of the Principal will be final.

Guidelines

1. All detentions will be thirty (30) minutes in length.
2. Students will report for detention, either at 7:30 a.m. or 2:50 p.m. on the day assigned, unless otherwise announced.
3. Detentions will not be allowed to accumulate.
4. Arriving late will result in an additional detention.
5. Students who need to re-schedule an assigned detention due to a mitigating circumstance must meet with the Principal for permission prior to the scheduled detention.
6. Work, athletics, or other extracurricular activities are not considered acceptable excuses for failure to serve an assigned detention.
7. It shall be the responsibility of the student to make necessary and prior arrangements for transportation.
8. Students are encouraged to bring study materials with them to work on during detention.
9. Students are to sit at separate tables. The supervisor must authorize exceptions.
10. Absolutely no talking is to take place during the detention period, nor will students be allowed to place their heads down or sleep.
11. Students who communicate in any way, pass materials of any kind, do not appear to keep busy, eat candy or food of any kind, or put their heads will be warned. A second violation of this kind during the detention period will result in dismissal from the detention period

with no credit given for time spent. The student will repeat the detention period the following day. Students who are caught sleeping will be dismissed without warning.

12. Detentions must be served within 10 days of issuance. Failure to serve detentions will result in one (1) day of in-school suspension per violation.

Formal Discipline

Suspension and Expulsion Rules

School administrators are authorized by the Board of Education to suspend a student for committing a gross misdemeanor or for engaging in persistent disobedience. Suspensions for longer than ten (10) student attendance days may be imposed only by action of the Board of Education. A student may be suspended by the school administrator while charges and a recommendation for expulsion or suspension for longer than ten (10) school attendance days is pending before the Board of Education unless otherwise limited by these procedures and/or requirements of the law.

A. Suspension for Ten (10) or Less School Days

When a school administrator determines that a student has committed a gross misdemeanor or has engaged in persistent disobedience, which justifies a suspension of the student from school for a period of ten (10) days or less, the student shall be informed of the charges, either verbally or in writing, by the responsible administrator and provided an opportunity to respond to the charges prior to the imposition of any suspension. If the student denies the allegations, the school administrator shall explain to the student the evidence against him/her and allow the student an opportunity to present his/her explanation of the incident. If under the circumstances immediate exclusion of the student from school is necessary because the student's presence endangers person or property and/or threatens disruption of the academic process, the opportunity for the student to meet with administrator and respond to the charges shall be provided promptly following such exclusion. The administrator may specify that the suspension is one pending a formal hearing before the Board of Education upon recommendation for expulsion or suspension longer than ten (10) days.

B. Expulsion and Suspension for More Than Ten (10) School Days

When a school administrator believes that a student has committed a gross misdemeanor or has engaged in persistent disobedience justifying a recommendation for expulsion or suspension for a period of time exceeding ten (10) school days, the recommendation shall be forwarded to the Superintendent for review and presentation to the Board of Education. The school administrator may suspend the student from school pending a hearing and determination within ten (10) school attendance days by the Board of Education if the school administrator first determines that the student's continued presence endangers persons or property and/or threatens disruption of the academic process.

When a student is being considered for long-term suspension (more than ten (10) days) or expulsion, the student will receive a formal letter of notification addressed to the parents which will contain:

- the charge and related evidence;
- the time and place of the Board meeting;
- the length of the recommended suspension or a recommendation for

expulsion;

- a brief description of the hearing procedure;
- a statement that the student may bring parents, guardians, and counsel;
- **a statement that the student and/or parent may bring a translator or request a transfer for hearing impaired students or parents;**
- a statement that the student may give testimony, present evidence, and provide a defense;
- a statement that the student may request attendance of school personnel who were party to the action or accused the student of the infraction;
- **the ability of the student and/or parent to request, potentially at their own cost, a transcript of the hearing, if Board/hearing officer approved.**

Students being considered for long-term suspension or expulsion may or may not be immediately removed from school. A formal hearing is scheduled with the Superintendent during which the student may be represented by his/her parents, legal counsel, and/or by a person of his/her choice.

Within two (2) days after notification of long-term suspension or expulsion, the long-term suspension or expulsion may be appealed, in writing, to the Board of Education. The appeal will also be formal in nature with sworn testimony before official(s) designated by the Board of Education. The appeal will be heard in an open session unless the student or the student's parent or guardian requests a closed session. Again, the right to representation is available. All opportunity to earn grades or credit ends when a student is expelled.

Bear Lake School makes a sincere effort to have disciplinary actions take place that will allow the student to remain in school. If a disciplinary action does not result in removal from school, it is not appealable. Should a student or parent have questions regarding the propriety of an in-school disciplinary action, they should contact the school administration.

have his/her name recommended to the Board of Education of Bear Lake School for the purpose of expulsion. The authority to expel rests solely with the Board of Education.

H. Due Process Rights

Suspension of more than one (1) school day but not more than ten (10) school days may be appealed in writing to the Principal within two (2) school days of the parent's receipt of the written suspension notice. The written appeal must contain the reason(s) that the suspension is being appealed.

1. The student may be reinstated during the appeal process unless it is determined that the student's attendance would jeopardize the safety of others.
2. Upon review, the Principal may uphold the suspension, establish an alternative suspension of lesser severity, or reverse the suspension in its entirety. The review may include, but not be limited to, a meeting with the parent if, in the Principal's opinion, this is appropriate.
3. The Principal will reach the decision and inform the parent in writing within ten (10) school days after the receipt of the written request.
4. The decision of the Principal may be appealed in writing to the Superintendent within two (2) school days of the parent's receipt of the decision. The Superintendent will reach a decision and inform the parent in writing within ten (10) school days after the receipt of the written request.

5. The Superintendent's decision shall be considered final. The parent may appeal to the board only in cases of alleged violation of due process (policy 5611) by the Superintendent. The Department of Community Health periodically distributes to the District the list of banned drugs based on bylaw 31.2.3.1 of the National Collegiate Athletic Association. Use of any drugs or substances appearing on this list will affect the student’s athletic and extracurricular participation.

Each of the behaviors described below may subject the student to disciplinary action including suspension and/or expulsion from school.

A. Use of Drugs

If the result indicated a violation of school rules as described in this handbook, the student will be disciplined in accordance with disciplinary procedures described in this handbook. If a student refuses to take the test, s/he will be advised that such denial will be considered an admission of alcohol use with the consequent discipline invoked. Failure to abide by all of their terms of the agreement may lead to termination of the student's computer account and possible disciplinary action as outlined in the Student Code of Conduct or referral to law enforcement authorities. Copies of the School District's *Student Network and Internet Acceptable Use and Safety Policy* and the requisite student and parent agreement will be distributed in the fall Welcome Back packets.

Students must complete a mandatory training session/program regarding the appropriate use of technology and online safety and security as specified in Policy 7540.03 – Student Network and Internet Acceptable Use and Safety before being permitted to access the Network and/or being assigned an e-mail address.

Students are encouraged to use the Board's computers/network and Internet connection for educational purposes. Use of such resources is a privilege, not a right. Students must conduct themselves in a responsible, efficient, ethical, and legal manner. Unauthorized or inappropriate use, including any violation of these guidelines, may result in cancellation of the privilege, disciplinary action consistent with the Student Handbook, and/or civil or criminal liability. Bear Lake Middle/High School Handbook

 - 1. Students shall not use the Network to transmit material that is threatening, obscene, disruptive, or sexually explicit or that can be construed as harassment or disparagement of others based upon their race, national origin, sex, sexual orientation, age, disability, religion, or political beliefs. Sending, sharing, viewing, or possessing pictures, text messages, e-mails, or other materials of a sexual nature (i.e. sexting) in electronic or any other form, including the contents of a wireless communication device or other electronic equipment is grounds for discipline. Such actions will be reported to local law enforcement and child services as required by law.
 - 2. Use of the Network to engage in cyberbullying is prohibited. “Cyberbullying” is defined as the use of information and communication technologies (such as e-mail, cell phone and pager text messages, instant messaging (IM), defamatory personal websites, and defamatory online personal polling websites), to support deliberate, repeated, and hostile behavior by an individual or group, that is intended to harm others.” [Bill Belsey (<http://www.cyberbullying.ca>)]

Students should not delete such messages until instructed to do so by a staff member.

- H. Use of Internet to access, process, distribute, display or print child pornography and other material that is obscene, objectionable, inappropriate and/or harmful to minors is prohibited. As such, the following material is prohibited: material that appeals to a prurient interest in nudity, sex, and excretion; material that depicts, describes or represents in a patently offensive way with respect to what is suitable for minors an actual or simulated sexual act or sexual contact, actual or stimulated normal or perverted sexual acts, or a lewd exhibition of the genitals; and material that lacks serious literary, artistic, political or scientific value as to minors. - I. Malicious use of the Network to develop programs that harass other users or infiltrate a computer or computer system and/or damage the software components of a computer or computing system is prohibited. Students may not engage in vandalism or use the Network in such a way that would disrupt its use by others. Vandalism is defined as any malicious or intentional attempt to harm, steal or destroy data of another user, school networks, or technology hardware. This includes but is not limited to uploading or creation of computer viruses, installing unapproved software, changing equipment configurations, deliberately destroying or stealing hardware and its components, or seeking to circumvent or bypass Network security and/or the Board's technology protection measures. Students also must avoid intentionally wasting limited resources. Students must immediately notify the teacher or building principal if they identify a possible security problem. Students should not go looking for security problems, because this may be construed as an unlawful attempt to gain access (hacking).
- J. All communications and information accessible via the Internet should be assumed to be private property (i.e. copyrighted and/or trademarked). All copyright issues regarding software, information, and attributions of authorship must be respected.
- K. Downloading of information onto the Board's hard drives is prohibited; all downloads must be to floppy disk. If a student transfers files from information services and electronic bulletin board services, the student must check the files with a virus-detection program before opening the file for use. Only public domain software may be downloaded. If a student transfers a file or software

program that infects the Network with a virus and causes damage, the student will be liable for any and all repair costs to make the Network once again fully operational.

- L. Students must secure prior approval from a teacher or the principal before joining a Listserv (electronic mailing lists) and should not post personal messages on bulletin boards or “Listservs.”

- N. Privacy in communication over the Internet and the Network is not guaranteed. To ensure compliance with these guidelines, the Board reserves the right to monitor, review, and inspect any directories, files and/or messages residing on or sent using the Board’s computers/network. Messages relating to or in support of illegal activities will be reported to the appropriate authorities.

Users have no right or expectation to privacy when using the Network. The District reserves the right to access and inspect any facet of the Network, including, but not limited to, computers, devices, networks, or Internet connections, e-mail or other messaging or communication systems or any other electronic media within its technology systems or that otherwise constitutes its property and any data, information, e-mail, communication, transmission, upload, download, message or material of any nature or medium that may be contained therein.

A student’s use of the Network constitutes his/her waiver of any right to privacy in anything s/he creates, stores, sends, transmits, uploads, downloads or receives on or through the Network and related storage medium and equipment.

Routine maintenance and monitoring, utilizing both technical monitoring systems and staff monitoring, may lead to discovery that a user has violated Board policy and/or the law. An individual search will be conducted if there is reasonable suspicion that a user has violated Board policy and/or law, or if requested by local, State or Federal law enforcement officials. Students’ parents have the right to request to see the contents of their children’s files, e-mails and records.

- O. Use of the Internet and any information procured from the Internet is at the student’s own risk. The Board is not responsible for any damage a user suffers, including loss of data resulting from delays, on-deliveries, mis-deliveries, or service interruptions. The Board is not responsible for the accuracy or quality of information obtained through its services. Information (including text, graphics, audio, video, and tech.) from Internet sources used in student papers, reports, and projects should be cited the same as references to printed materials.

9. Dress and Grooming

The intent of Bear Lake School in enacting a dress code is to promote a good academic environment, maintain discipline, and prevent disruption of the educational process. While fashion changes, the reason for being in school does not. Students are in school to learn. Any fashion (dress, accessory, or hairstyle) that disrupts the educational process or presents a safety risk will not be permitted. Personal expression is permitted within these general guidelines. Bear Lake School recognizes that each student's mode of dress and grooming may be a manifestation of personal style and individual taste, any type of dress or hairstyle that is disruptive, distracting, unsanitary, or unsafe is prohibited. The administration will make the final determination regarding dress and grooming.

Students should consider the following questions when dressing for school:

- Does my clothing expose too much?
- Does my clothing advertise something that is prohibited to minors?
- Are there obscene, profane, drug related, gang related or inflammatory messages on my clothing?
- Would I interview for a job in this outfit?
- Am I dressed appropriately for the weather?

If a student has selected a manner of appearance that is beyond mere freedom of expression and disrupts the educational process or presents risk to themselves or others, they may be removed from the educational setting.

The following styles or manners of dress are prohibited:

- A. If, at any time, a student's attire or cosmetics are a distraction to themselves, others, or interferes with normal classroom procedure and learning, the student may be removed from the educational setting and parents will be notified.
- B. Students may not wear "muscle" or t-shirts with the waist cut off, or shirts with the arms or parts of the body cut off (all shirts must be able to be tucked into or go over the pants or skirt.)
- C. Halter tops, see-through blouses, mesh shirts, spaghetti straps, etc. are not acceptable forms of dress. Shirts should not expose the body torso.
- D. Mini-skirts, short shorts with tears or rips are not appropriate. A student should be able to stand straight with their arms out their sides and fingertips touching the bottom of their shorts or skirt.
- E. Garments with holes in inappropriate areas. (In the event a student accidentally tears clothing on the way to or while at school, s/he will be allowed to complete that day without disciplinary consequences.)
- F. Clothing, patches, or buttons displaying profane, vulgar, or obscene, or offensive suggestions are prohibited. Profane, provocative, vulgar, or obscene suggestions include, but are not limited to, descriptions or representatives of sexual acts, excretory functions, or nudity; and swear words, expletives, or offensive language or symbols. Extreme violations will fall under violation #16 – Indecency/Obscenity.
- G. A student's hair or wearing apparel, which substantially interfered with the educational process, creates classroom or school disorder, or distracts the attention of another student in any class from the lesson being presented or from any assigned classroom activity will not be permitted. Hair or wearing apparel, which constitutes a threat to health or safety, is prohibited.

- H. **Hats, jackets, and backpacks shall be stored in a student's locker immediately upon arrival at school. They are not to be worn again until after the school day is over.** (Exceptions will be made for verified religious or health reasons,) Blankets and pillows are to be stored in lockers during the school day.
- I. Bandannas and other inappropriate head apparel may not be worn at school.
- J. It is the policy and obligation of the School Board to encourage a drug-free environment in the school setting, to reduce the pressures to use drugs, and to promote respect for rules and laws prohibited drugs. Drug use among students creates a climate that is destructive to learning and disrupts the maintenance of an orderly and safe school conducive to learning. Therefore, t-shirts and other garments, buttons, and patches, which advocate the use of alcohol, tobacco, or illegal drugs, are prohibited.
- K. Bear Lake School prohibits the display of gang emblems or symbols on school grounds. This includes clothing, jewelry, and any other personal items linked to gangs or gang-related activity.
- L. For safety and health reasons, students are required to wear shoes or soled footwear.

Students who are representing Bear Lake School at an official function or public event may be required to follow specific dress requirements. Usually, this applies to athletic teams, cheerleaders, bands, and other such groups.

If a student violates the dress code, the student will be given an opportunity to correct the attire or style of hair, which violates the dress code. In addition, school personnel will arrange to meet with the student and his/her parents or guardians regarding the violation. A student who continues to violate the dress code will be subject to appropriate disciplinary measures.

This policy applies to all “at school” activities in the District, including activities on school property, in a school vehicle, and those occurring off school property if the student or employee is any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school’s control, or where an employee is engaged in school business. A student may also submit a report or complaint to any of the above designated individuals through email, voicemail, regular mail or by leaving a sealed note addressed to the individual at that person's office or desk. The student may submit a report or complaint anonymously, but this may affect the ability to fully investigate the matter, when the complaining student is not available to provide additional information during the course of the investigation.

The identity of a student who reports bullying, hazing or aggressive behavior, as well as those students who provide information during an investigation will remain confidential to the extent possible and to the extent allowable by law. Only school personnel directly involved in the investigation of the complaint or responsible for remedying any violations will be provided access to the identity of the complaining student(s) and student witnesses, and then only to the extent necessary to effectively deal with the situation.

The identity of the student who files the report or complaint will not be voluntarily shared with the alleged perpetrator(s) or the witnesses unless the student (and his/her parent/guardian) give written permission to do so. Any investigation report will likewise not be voluntarily produced with the names of the reporting student(s) or witnesses. However, under certain circumstances, the District may be required by law to disclose the report and/or the student(s) names. Also, under certain circumstances, the identity of the reporting student may become obvious even without disclosure by school personnel.

Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior directed toward a student. Reports shall be made to those identified above. Reports may be made anonymously, but formal disciplinary action may not be taken solely on the basis of any anonymous report.

The Principal (or other administrator as designated) shall promptly investigate and document all complaints about bullying, aggressive or other behavior that may violate this policy. The investigation must be completed as promptly as the circumstances permit and should be completed within three (3) school days after a report or complaint is made.

This may include up to expulsion for students, up to discharge for employees, exclusion for parents, guests, volunteers and contractors, and removal from any official position and/or a request to resign for Board members. Individuals may also be referred to law enforcement or other appropriate officials.

The individual responsible for conducting the investigation shall document all reported incidents and report all verified incidents of bullying, aggressive or other prohibited behavior, as well as any remedial action taken, including disciplinary actions and referrals, to the Superintendent. The Superintendent shall submit a compiled report to the Board of an annual basis.

Non-Retaliation/False Reports

Retaliation of false allegations against any person who reports, is thought to have reported, files a complaint, participates in an investigation or inquiry concerning allegations of bullying or aggressive behavior (as a witness or otherwise), or is the target of the bullying or aggressive behavior being investigated, is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy, independent of whether a complaint of bullying is substantiated. Suspected retaliation should be reported in the same manner as bullying/aggressive behavior.

Students should be aware that state law requires that school officials, teachers and appropriate law enforcement officials be notified when a student of this District is involved in crimes related to physical violence, gang related acts, illegal possession of a controlled substance analogue or other intoxicants, trespassing, property crimes, including but not limited to theft and vandalism, occurring in the school as well as in the community.

Knowledge of Dangerous Weapons or Threats of Violence

Because the Board believes that students, staff members, and visitors are entitled to function in a safe school environment, students are required to report knowledge of dangerous weapons or threats of violence to the principal or school personnel. Failure to report such knowledge may subject the student to discipline.

If a student possesses a dangerous weapon, or commits arson in the school building or on the school grounds, or rapes someone in the building or on school grounds, the Board of Education or its designees shall expel the student permanently from all Michigan school districts, subject to possible reinstatement, unless the student establishes in a clear and convincing manner at least one of the following:

Dangerous Weapons

In compliance with State law, the Board shall permanently expel any student who possesses a dangerous weapon in a weapon-free school zone or commits either arson or criminal sexual conduct in a District building or on District property, including school buses and other school transportation.

A dangerous weapon is defined as “a firearm, dagger, dirk, stiletto, knife with a blade over three (3) inches in length, pocket knife opened by a mechanical device, iron bar, or brass knuckles” or other devices designed to or likely to inflict bodily harm, including, but not limited to, air guns and explosive devices.

Students with disabilities under IDEA or Section 504 shall be expelled only in accordance with Board Policy 2461 and Federal due process rights appropriate to students with disabilities. See page 46, Section H in **Due Process Rights**

Criminal Acts

TEACHER INITIATED SUSPENSION

A teacher may suspend a student from class, subject, or activity for up to one (1) full school day for:

1. Fighting
2. Threats and profanity
3. Insubordination

The teacher shall immediately send the student to the principal and specify on a Discipline Referral form the reason for suspension. As soon as possible after the suspension, the teacher shall schedule a parent-teacher conference regarding the suspension. If feasible the counselor, psychologist and/or social worker shall attend the conference. The principal may attend upon request of the teacher or parent. The student shall not be returned to the class, subject, or activity that school day without the consent of both the teacher and the principal.

SEARCH AND SEIZURE

Search of a student and his/her possessions, including vehicles, may be conducted at any time the student is under the jurisdiction of the Board of Education, if there is a reasonable suspicion that the student is in violation of law or school rules. A search may also be conducted to protect the safety of others. All searches may be conducted with or without a student's consent.

Students are provided lockers, desks and other equipment in which to store materials. It should be clearly understood that this equipment is the property of the school and may be searched at any time if there is reasonable suspicion that a student has violated the law or school rules. Locks are to prevent theft, not to prevent searches. If student lockers require student-provided locks, each student must provide the lock's combination or key to the principal.

Anything that is found in the course of a search that may be evidence of a violation of school rules or the law may be taken and held or turned over to the police. The School reserves the right not to return items which have been confiscated. In the course of any search, students' privacy rights will be respected regarding any items that are not illegal or against school policy.

All computers located in classrooms, labs and offices of the District are the district's property and are to be used by students, where appropriate, solely for educational purposes. The District retains the right to access and review all electronic, computer files, databases, and any other electronic transmissions contained in or used in conjunction with the District's computer system, and electronic mail. Students should have no expectation that any information contained on such systems is confidential or private.

RESPONSIBILITIES OF A BEAR LAKE ATHLETE

Being a member of a Bear Lake athletic team is the fulfillment of an early ambition for many students. The attainment of this goal carries with it certain traditions and responsibilities that must be maintained. A great athletic tradition is not built overnight; it takes the hard work of many people over many years. As a member of an interscholastic squad at Bear Lake School, you have inherited a wonderful tradition, a tradition you are challenged to uphold.

Our tradition has been to win with honor. Such a tradition is worthy of the best efforts of our athletes, our school and our community. Over many years our squads have achieved more than their share of league and tournament championships. Many individuals have set records and earned All-Conference and All-State recognition.

It will not be easy to contribute to such a great athletic tradition. To compete for your school means that you will have to say "no" to many peer activities that are not acceptable for a Bear Lake Student-Athlete. When you wear the colors of your school, you not only understand our traditions, but also are willing to accept the responsibilities that go with them. The contributions you make should be a satisfying accomplishment to you and your family.

Each athlete is expected to:

1. Conduct himself/herself in a manner that will bring a positive reflection upon themselves, their teammates and the Bear Lake Schools and community.

SCHOLASTIC STANDARDS FOR STUDENT/ATHLETES

To be **academically eligible** to participate in athletic events, a student must **maintain a 2.0 grade point average and have no failing grades**. The grade and eligibility determination will be made weekly.

The minimum a student must achieve is passing 66% of all courses attempted in the previous and current semester to meet the MHSAA standards; our standard is higher for our student athletes.

Sports eligibility begins on Monday of the first day of practice for each sport of that season. All students then must maintain eligibility throughout the entire season. Fall sports are eligible until the first eligibility check on the 2nd Monday after Labor Day the ineligibility begins when the academic standards of passing all classes and maintaining a 2.0 in all classes are not met.

Final weekly eligibility for the spring season will be the last Monday of athletic contests for the school year. Any senior who has successfully graduated will not be declared academically ineligible.

Procedure to regain academic eligibility:

1. The student must wait exactly one full week from the date he/she was declared ineligible before he/she can become eligible again.
2. In the fall, eligibility checks begin the 3rd Monday after Labor Day. Each Monday morning the administration will check current grades and inform all students who do not meet the 2.0 grade point average or who have failing grades of their deficiencies. Students will have until 2:00 p.m. on the next day (Tuesday) to correct any errors or improve deficiencies found in their initial eligibility check, these are the grades that will be used to determine current eligibility. Students who are declared ineligible for the week will remain ineligible from Wednesday through the following Tuesday, when their grades will be checked again.
3. Any student who is ineligible must continue to practice with the team. During the ineligibility period the player must also travel with the team and sit on the bench in street clothes. If the team is scheduled to leave prior to the end of the educational day, the student will not travel to the event on the school provided transportation.
4. Any student who is academically ineligible for four (4) consecutive weeks or six (6) cumulative weeks may be declared ineligible for the balance of that particular athletic season. They may not participate in any team activities for the remainder of that season, will be removed from the team roster and may not earn any awards.
5. **Any student serving an out of school or in-school suspension will automatically be ineligible to participate in or attend any athletic event or practice, during their suspension time.**

These rules and regulations are developed to establish eligibility requirements by setting minimum standards and maximum limitations for all participants within our interscholastic athletic programs, and they work together to define and preserve the fundamental nature of the interscholastic athletic program.

These are the basic concepts of the eligibility rules governing Michigan interscholastic athletics – more information may be obtained from the Athletic Director. All rules unless stated otherwise pertain to the Senior High and Middle School student athletes.

Middle School Students: 6th grader be under thirteen (13) years of age, unless thirteen (13th) birthday occurs on or after September 1st of a current school year, in which case student is eligible for balance of that school year in all sports.

Transfers:

Students moving between schools are not eligible. See the Athletic Director for approved exceptions.

Awards:

Must not accept any award or merchandise exceeding \$40.00 in value for athletic performance. Athletes accepting memberships, privileges, services, negotiable certificates of money are in violation when participating in MHSAA tournament sports.

Amateur Practices:

School sports are limited to amateurs, cannot receive gifts of material or money or other valuable consideration because of athletic performance or potential. This applies to MHSAA tournament sports only.

Limited Team Membership:

Students cannot participate in any outside athletic competition during the same season in which they are representing the school on a school team.

PLAYING OUT OF LEVEL

Generally speaking, junior varsity teams are for freshmen and sophomores, and varsity teams are for juniors and seniors. If an athlete is moved a level, the following criteria must be adhered to:

1. Coaches
Anytime a student has the opportunity to move, the following questions to ask so the athlete has a positive outcome:
 - A. How will the move affect the academic work of the athlete?
 1. What kind of academic student is the athlete?
 2. What kind of study habits does the athlete have?
 3. Are the length and number of practices going to affect his/her class work?
 4. What kind of extra help is available for the athlete?
 - B. How will the move affect the athlete emotionally?
 1. What kind of pressure will be on the athlete?
 2. Is the athlete emotionally mature enough to play at this level?
 - C. How will the move affect the athlete socially?
 1. Does the athlete have any friends on the team?
 2. How great is the age difference?
 - D. How will the move affect the athlete physically?
 1. Is the athlete physically mature enough to play at this level?
 2. Will the change have cause for greater injury?
 - E. How will the amount of playing time affect the athlete?
 1. Will the athlete contribute to the team during the game?

2. Will the playing time be sufficient to justify the move up or down?
 3. The athlete is **NOT** to be a benchwarmer.
2. Parent/Guardian Contacted
Coaches involved in the move will contact the parent/guardian of the athlete to:
- A. Discuss the pros and cons of the move.
 - B. Get input from the parent/guardian about the move.
 - C. Obtain a signed Parent consent form from the parent/guardian supporting the move.
3. Re-evaluate
Any decision to move an athlete should be re-evaluated periodically during the season. Athletes may be moved back to a lower level at any time during the season if the move will benefit the athlete and team. If this is going to take place the coach will contact the parent/guardian before the move is finalized.

WEATHER POLICIES

Severe Weather (Watches/Warnings)

Watches

If there is a watch for the area, it is the coach's responsibility to use care and common sense to maintain a safe and sound environment for all athletes. Be watchful of the incoming weather as it clears or gets worse.

Warnings

The coach will move all athletes to a safe and secure area until all can be dismissed safely to parents or guardians.

LIGHTNING & THUNDER are treated as dangerous and deadly – all must take cover in a sturdy area – and there will be a 30-minute suspension of all activity, for each bolt of lightning or clap of thunder.

Tornado Watch

All practice sessions will be canceled and the athletes should be sent home. All games or contests not in progress will be postponed.

All games in progress will be suspended at the time of the official notification of the watch. Postponed contests will normally be rescheduled. (If unofficial word is received about the possibility of a watch existing, the coach, or designee should immediately call the Manistee County Sheriff's Department for confirmation.)

In the case of away contests, the event will be suspended and teams shall start the trip back to Bear Lake. This policy will also be in effect for multi-team contests.

Tornado Warning

All team members will be directed to a safe location under the supervision of the coach in charge. Any visiting team members and coaches will be expected to take cover at the site of the host school until an "all clear" is issued.

The safest places in our school are: locker rooms and lower level interior hallways. **AVOID** the gym or classrooms and hallways with glass.

If you are in an open area with no time to seek shelter, lay flat in the nearest depression.

HAVE A PLAN -- DON'T TAKE CHANCES -- USE COMMON SENSE!

When School is Closed Due to Weather Conditions:

Coaches will be contacted to proceed or cancel a scheduled practice or participate in scheduled event when school is closed or students are sent home due to inclement weather conditions. Junior High/Middle School and Elementary practices and games are automatically cancelled. There will be times, however, when it will be possible to have some school activities even though school has been closed. With this thought in mind, all coaches will:

- A. Discuss inclement weather possibilities with team members at the start of the season and review information during the season.
- B. Have a plan for communication with team members via a fan-out system (Published phone numbers, text messages, Alert Now system.)
- C. Any cancellations will be communicated to the community via the Alert Now system and local media outlets by administration and social media.
- D. Always try to give information regarding team activities to the high school secretary -- the kids and parents will often call for this information.
- E. Attendance at practice or games during questionable weather conditions will always be considered optional and without disciplinary consequence.

Injuries & Illness Policies –

Injury Procedures:

The health and well-being of our student athletes is primary to our coaches and the only way they can provide your student athlete with the best care is when they are aware of an injury. It is necessary for the student athlete to inform the coach when an injury occurs – no matter the severity. Bear Lake School has a secondary insurance policy on the student athlete and in order for it to be in place the coach must be notified of any incident, so the proper paperwork may be completed in a timely manner.

Any time a student athlete visits a physician's office they must turn in a release slip from that office with permission to return to participation. Without this permission the student athlete will not be allowed to participate, at practice or in contests.

Concussions / Traumatic Brain Injury

A concussion is caused by a fall, bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. A concussion can be caused by a shaking, spinning or a sudden stopping and starting of the head. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious. A concussion can happen even if you haven't been knocked out.

You can't see a concussion. Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If the student reports any symptoms of a concussion, or if you notice symptoms yourself, seek medical attention right away. A student who may have had a concussion will not return to play on the day of the injury, will not return until a health care

professional say they are cleared to return to play and have completed the appropriate form with approval and release.

Our student athletes will be held to the MHSAA and MCHD protocols for concussions and / or concussion like symptoms. Any student who exhibits or complains of a concussion and / or concussive like symptoms will be immediately removed from the activity and will not be allowed to participate again on that day. Concussions are a serious matter and we will treat it as serious. Return to play will only take place when the treating MD, DO, PA, or NP clears the student athlete to return to play with the appropriate paperwork and filed with the school administration.

Each student must complete the Concussion Awareness Educational Material Acknowledgement form. This form will be completed once a year and kept with the Athletic Physical form.

Heat and Humidity

Coaches always have the athlete's health and well being in the front of their minds as they are preparing for the season, each practice and event. Each sport season has regular weather issues associated with them. As a way to forewarn and more importantly forearm our student athletes we will be more diligent about the Heat Index and its affects on our student athletes.

We will follow these guidelines:

1. **When the Heat Index is below 95 degrees:**
 - a. Athletes will have access and will be encouraged to take in as much as they want.
 - b. Have water breaks every 30 minutes for 10 minutes in duration.
 - c. Watch/monitor athletes carefully for necessary action.
2. **When the Heat Index is 95 degrees to 99 degrees:**
 - a. Athletes will have access and will be encouraged to take in as much as they want.
 - b. Have water breaks every 30 minutes for 10 minutes in duration.
 - c. Watch/monitor athletes carefully for necessary action.
 - d. Sports with additional equipment – will remove equipment; ie., helmets, catchers gear.
 - e. Reduce time of outside activity. Move practice to another part of the day.
3. **When the Heat Index is 99 degrees to 104 degrees:**
 - a. Athletes will have access and will be encouraged to take in as much as they want.
 - b. Mandatory water breaks every 30 minutes for 10 minutes in duration.
 - c. Watch/monitor athletes carefully for necessary action.
 - d. Alter uniform by removing items if possible.
 - e. Allow for changes to dry t-shirts and shorts.
 - f. Reduce time of outside activity as well as indoor activity unless air conditioning is available.
 - g. Moving practice to a later part of the day.
 - h. Sports with additional equipment – will be removed equipment; ie., helmets, catchers gear. If needed for safety, activity suspended.
4. **When the Heat Index is above 104 degrees:**
 - a. All outside activity is suspended and stop all indoor activity unless air conditioning is available.

UNDERSTANDING CONCUSSION

Some Common Symptoms

Headache	Balance Problems	Sensitive to Noise	Poor Concentration	Not “Feeling Right”
Pressure in the Head	Double Vision	Sluggishness	Memory Problems	Feeling Irritable
Nausea/Vomiting	Blurry Vision	Haziness	Confusion	Slow Reaction Time
Dizziness	Sensitive to Light	Fogginess	“Feeling Down”	Sleep Problems
		Grogginess		

WHAT IS A CONCUSSION?

A **concussion is a type of traumatic brain injury** that changes the way the brain normally works. A concussion is caused by a fall, bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. A concussion can be caused by a shaking, spinning or a sudden stopping and starting of the head. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious. A concussion can happen even if you haven’t been knocked out.

You can’t see a concussion. Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If the student reports any symptoms of a concussion, or if you notice symptoms yourself, seek medical attention right away. A student who may have had a concussion should not return to play on the day of the injury and until a health care professional says they are okay to return to play.

IF YOU SUSPECT A CONCUSSION:

1. **SEEK MEDICAL ATTENTION RIGHT AWAY** – A health care professional will be able to decide how serious the concussion is and when it is safe for the student to return to regular activities, including sports. Don’t hide it, report it. Ignoring symptoms and trying to “tough it out” often makes it worse.
2. **KEEP YOUR STUDENT OUT OF PLAY** – Concussions take time to heal. Don’t let the student return to play the day of injury until a health care professional says it’s okay. A student who returns to play too soon, while the brain is still healing, risks a greater chance of having a second concussion. Young children and teens are more likely to get a concussion and take longer to recover than adults. Repeat or second concussions increase the time it takes to recover and can be very serious. They can cause permanent brain damage, affecting the student for a lifetime. They can be fatal. It is better to miss one game than the whole season.
3. **TELL THE SCHOOL ABOUT ANY PREVIOUS CONCUSSION** – Schools should know if a student had a previous concussion. A student’s school may not know about a concussion received in another sport or activity unless you notify them.

CONCUSSION DANGER SIGNS:

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. A student should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

| <input type="checkbox"/> A headache that gets worse | <input type="checkbox"/> Convulsions or seizures | <input type="checkbox"/> Loses consciousness (even a brief loss of consciousness should be taken seriously.) |
| <input type="checkbox"/> Weakness, numbness, or decreased coordination | <input type="checkbox"/> Cannot recognize people/places | |

HOW TO RESPOND TO A REPORT OF A CONCUSSION:

If a student reports one or more symptoms of a concussion after a bump, blow, or jolt to the head or body, s/he should be kept out of athletic play the day of the injury. The student should only return to play with permission from a health care professional experienced in evaluating for concussion. During recovery, rest is key. Exercising or activities that involve a lot of concentration

Bear Lake Middle/High School Handbook
2021-2022

(such as studying, working on the computer, or playing video games) may cause concussion symptoms to reappear or get worse. Students who return to school after a concussion may need to spend fewer hours at school, take rests breaks, be given extra help and time, spend less time reading, writing or on a computer. After a concussion, returning to sports and school is a gradual process that should be monitored by a healthcare professional.

Remember: Concussions affects people differently. While most students with a concussion recover quickly and fully, some will have symptoms that last for days, or even weeks. A more serious concussion can last for months or longer.

APPENDIX

Parents

Helping Your Child Succeed in School, Even When Dealing with Homelessness

- Know your child's educational rights:
 - Enroll your child in school. You can enroll your child even if you are missing documents normally required for enrollment such as immunization records, previous school records, birth certificates, and proof of residency.
 - Let the school know where you want your child to attend school. The McKinney-Vento Act gives your child the right to stay at the same school even if the family's homeless situation means you are no longer living in the same area. This school would be called the school of origin and school districts must let students continue attending if this is in the student's best interest. Your child also may attend any public school that nonhomeless students who live in the attendance area where you're currently living are eligible to attend.
- Keep copies of critical records such as immunizations, Social Security number, health physicals, and individualized education programs (IEPs). Ask someone you trust to keep a set of records for you if your current living arrangements make this difficult.
- Maintain high expectations for your child.
- Ask questions, such as the following:
 - Who is the local homeless education liaison? How can I contact him or her?
 - What transportation is available for my child to stay in the same school (the school of origin)?
 - If my child changes schools, who can help us transfer records quickly?
 - How can my child receive free meals at school?
 - How can my child receive free school supplies, if needed?
 - Who can help if my child needs special education services? How quickly can these services be set up?
 - What academic help is available for my child, such as Title I, Part A, programs or after-school tutoring?
 - What programs can help develop my child's talents and address his/her unique needs?
 - Are there sports, music, or other activities available for my child?
 - How can my child go on class field trips or participate in other school activities if I can't pay for them?
 - Is there a preschool program for my younger children?

For more information about helping your child succeed in school, visit the National Center for Homeless Education website at <http://www.serve.org/nche>, or contact the local homeless education liaison for your school district.

Notifications

Notice of this policy will be **annually**, circulated to all school buildings and departments within the District and discussed with students, as well as incorporated into the teacher, student and parent/guardian handbooks. State and Federal rights posters on discrimination and harassment shall also be posted at each building. All new hires of the District will be required to review and sign off on this policy and the related complaint procedure.

Statement of Adoption – The Bear Lake Student Handbook and the policies within have been adopted by the Bear Lake School Board of Education.

Non-Discrimination Policy – It is the policy of the Bear Lake Public Schools that no person shall, on the basis of religion, race, color, national origin, sex, age, or handicap, be excluded from participation in, denied benefits of, or be subjected to discrimination in educational programs, activities, services, nor be denied equal opportunity for employment. Equal opportunity is the right of employment for all persons on the basis of job related standards of education, training, experience, and personal qualifications.

This policy complies with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973.

Questions, concerns, requests, or complains, which relate to these federal laws are to be directed to the Principal of Bear Lake Schools, 7748 Cody Street, Bear Lake, Michigan 49614. Phone number (231) 864-3133.

Emergency Drills – Emergency drills (tornado and fire) are held at regular intervals and are required by law as an important safety precaution. It is essential that when the first signal is given everyone obeys orders promptly and clears the building or goes to assigned areas as quickly as possible. The teacher in the classroom will give the student instructions.

Emergency Medical Cards – State law requires that all students must have an emergency medical card completed, signed by a parent or guardian, and filed in the school office. A student may be excluded from school until this requirement has been fulfilled. Students with specific health care needs should submit those needs, in writing and with proper documentation by a physician, to the school office. All medications, prescribed and non-prescribed, are to be delivered to the office and taken only with adult supervision.

Facility Use – Students are not allowed to use school facilities unless they have received permission from the school **and are supervised by an approved adult sponsor** or are attending a school function. Students are not to have food or beverages in the gym at any time during the school day. School facility use should be arranged by contacting the office at 864-3133.

Illness or Injury – All injuries must be reported to a teacher or the office. If minor, the student will be treated and may return to class. If medical attention is required, the office will follow the school's emergency procedures. A student who becomes ill during the school day should request permission from the teacher to go to the office. The office will determine whether or not the student should remain in school or go home. No student will be released from school without proper parental permission.

Student Records – Mrs. Sarah Harless, Principal at Bear Lake Schools, is the Custodian of Records and is responsible for the supervision of student records at the school. She can be reached by calling 864-3133.

Each student's records will be kept in a confidential file located at the student's school office. The information in a student's record file will be available for review only by the parents or legal guardian of a

student, adult student (eighteen) 18 years of age or older, and those authorized by Federal Law and District regulations.

A parent or adult student has the right to:

- ◆ inspect and review the student's education records within forty-five (45) days after receipt of the request. The school has a form, which can be used to submit a request. The Custodian of Records will notify the parent or adult student of the time and place where the records can be inspected.
- ◆ request amendments if the parent or adult student believes the record is inaccurate, misleading, or otherwise in violation of the student's rights. The school has a form, which may be used to identify which information in the record the parent or adult student believes is inaccurate or misleading and to specify why it is inaccurate or misleading.
- ◆ consent to disclosures of personally identifiable information contained in the student's education records, except to those disclosures allowed by law. The school's administrative guideline 8330 describes whose exceptions and is available upon request.
- ◆ challenge District compliance with a parent's request to amend the records through a hearing. If the Custodian of records decides not to amend the record, the parent or adult student will be so notified and provided the opportunity for a hearing. Additional information concerning the hearing will be provided when notified of the opportunity for a hearing.
- ◆ file a complain with the U.S. Department of Education, 600 Independence Avenue, Washington D.C. 20202.
- ◆ obtain a copy of the District's policy and administrative guideline on student records (#8330). The District has established the following information about each student as "directory information".

Each year the District will provide public notice to students and their parents of its intent to make available, upon request, certain information known as "directory information". The Board designates as student "directory information": a Student's name; address; telephone number; photograph; Major field of study; participation in officially recognized activities; Activities and sports, height and weight, if a member of an Athletic team; date of graduation; awards received; honor rolls; and scholarships.

The District will make the above information available upon a legitimate request unless a parent, guardian, or adult student notifies the school in writing within fourteen (14) days from the date of this notification that s/he will not permit distribution of any or all such information.

Motor Vehicle Regulations – Student vehicles must be properly parked only in areas designated for student parking. Due to the short lunch period, and in the interest of avoiding tardiness, absences, and accidents, it is required that students do not drive their vehicles during the lunch period. No vehicle is to have any occupancy during the school day.

Students who drive to school will be expected to adhere to all school parking regulations, including handicapped parking.

Returned Checks – There will be a fee of \$10.00 for any returned checks.

School Trips – Field trips are a part of the educational program at Bear Lake Schools. All school rules apply on all school-sponsored trips.

Telephone – School phones are business phones and are not to be used by students for personal calls. A pay phone located in the hall near the High School Office is for student use before school, at lunchtime and after school.

Paging/Electronic Devices – Paging and electronic communication devices such as beepers or telephones are not allowed in school.

Lost and Found – The lost and found area is in the Elementary School Office. Students who have lost items should check there and may retrieve them items if they give a proper description. Unclaimed items will be given to charity at the close of the school year.

Visitors – Parents are always welcome to visit. An appointment to confer with a teacher during his/her consultation period can be made by telephoning the student's counselor. If a pupil wishes to bring a school age person to visit s/h e should obtain a visitors permit from the high school office. The visitor will be expected to remain with the student who is responsible for him/her.

For the protections of student's school property and order, no unauthorized persons shall be allowed to loiter on or adjacent to the school grounds or in any buildings.

ALL VISITORS MUST REGISTER AT THE HIGH SCHOOL OFFICE.

Students under suspension or who have been expelled are not allowed on school property, in any school building or admitted to any school function.

Water Quality – The drinking water for Bear Lake School is not tested, as that water is supplied by the Village of Bear Lake, which is responsible for water quality compliance and consumer confidence.

Blood-Borne Pathogens – The district is subject to Federal and State regulations to restrict the spread of hepatitis B virus (HBV) and human immune deficiency virus (HIV) in the workplace. These regulations are designed to protect employees of the District who are, or could be, exposed to blood or other contaminated bodily fluids while performing their job duties. Because of the very serious consequences of contracting HBV or HIV, the District is committed to taking the necessary precautions to protect both students and staff from its spread in the school environment. Part of the mandated procedures include a requirement that the district request the person who was bleeding to consent to be tested for HBV and HIV. The law does not require parents or guardians to grant permission for the examination of their child's blood, but it does require to the District to request that consent. Questions or concerns should be directed to the high school principal.

Work Permits – An application for a work permit may be obtained through the high school. This must be filled out by the employer and returned to the school. Anyone under 18 years of age must have a work permit to be employed.

Pesticide Application – Parents and guardians of children attending Bear Lake School who wish to be informed prior to any application of a pesticide should contact the high school office. Persons with concerns will be notified regarding application of the pesticides, the location of application and the date of the application. A pesticide is defined as a "substance or mixture of substances intended for preventing, destroying, or mitigating pests, or intended for use as a plant regulator, defoliant, or desiccant."

Preparedness for Toxic and Asbestos Hazards – the School is concerned for the safety of students and attempts to comply with all Federal and State Laws and Regulations to protect students from hazards that may result from industrial accidents beyond the control of school officials or from the presence of asbestos materials used in previous construction. A copy of the School District’s *Preparedness for Toxic Hazard and Asbestos Hazard Policy* and asbestos management plan will be made available for inspection at the Board offices upon request.

Drug Free School – In accordance with Federal Law, the Board of Education prohibits the use, possession, concealment, or distribution of drugs by students on school grounds, in school or school-approved vehicles, or at any school-related event. Drugs include any alcoholic beverage, anabolic steroid, dangerous controlled substance as defined by State Statute, or substance that could be considered a “look-a-like” controlled substance. Compliance with this policy is mandatory for all students. Any student who violates this policy will be subject to disciplinary action, in accordance with due process and as specified in this student handbook, up to and including expulsion from school. When required by State Law, the district will also notify law enforcement officials.

The district is concerned about any student who is a victim of alcohol or drug abuse and will facilitate the process by which s/he receives help through programs and services available in the community. Students and their parents should contact the school principal or counseling office whenever such help is needed.

Student Hazing – The Board of Education believes that hazing activities of any type are inconsistent with the educational process and prohibits all such activities at any time in school facilities, on school property, and at any District sponsored event.

Hazing shall be defined for purposes of this policy as performing any act or coercing another, including the victim, to perform any act of initiation into any class, group, or organization that causes or creates a risk of causing mental, emotional, or physical harm. Permission, consent, or assumption of risk by an individual subjected to hazing shall not lessen the prohibitions contained in this policy.

Hazing involves conduct such as but not limited to:

- A. illegal activity, such as drinking or drugs;
- B. physical punishment or infliction of pain;
- C. intentional humiliation or embarrassment;
- D. dangerous activity;
- E. activity likely to cause mental or psychological stress;
- F. forced detention or kidnapping;
- G. undressing or otherwise exposing initiates.

Administrators, faculty members, and other employees of the District shall be particularly alert to possible situations, circumstances, or events which might include hazing. If hazing or planned hazing is discovered, the students involved shall be informed by the discoverer of the prohibitions contained in this policy and shall be ordered to end all hazing activities or planned activities immediately. All hazing incidents shall be reported immediately to the Superintendent. Students, administrators, faculty members, and other employees who fail to abide by this policy may be subject to disciplinary action and may be held personally liable for civil or criminal penalties.

The Superintendent shall distribute this policy to all students and District employees, and shall incorporate it into building, staff, and student handbooks. It shall also be the subject of discussion at employee staff meetings or in-service programs.

Harassment of Students – Harassment of students is prohibited, and will not be tolerated. This includes inappropriate conduct by other students as well as any other person in the school environment, including employees, Board members, parents, guests, contractors, vendors and volunteers. It is the policy of the District to provide a safe and nurturing educational environment for all of its students. This policy applies to all activities on school property and to all school sponsored activities whether on or off school property.

Harassment is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student’s educational, physical or emotional well being. This would include harassment based on any of the legally protected characteristics, such as sex, race, color, national origin, religion, height, weight, marital status or disability. This policy, however, is not limited to these legal categories and includes any harassment that would negatively impact students.

Harassment through any means, including electronically transmitted methods (e.g., internet, telephone or cell phone, personal digital assistant (PDA), computer or wireless hand held device), may be subject to District disciplinary procedures. Such behavior is considered harassment whether it takes place on or off school property, at any school-sponsored function, or in a school vehicle if it is considered to have a negative impact on the school environment.

Any student that believes s/he has been or is the victim of harassment should immediately report the situation to the teacher, the principal or assistant principal, or if the complaint relates to the principal, may report it directly to the Superintendent. Complaints will be investigated in accordance with AG 5517.

Every student should, and every staff member **must** report any situation that they believe to be improper harassment of a student. Reports may be made to those identified above.

If the investigation finds harassment occurred it will result in prompt and appropriate remedial action. This may include up to expulsion for students, up to discharge for employee, exclusion for parents, guests, volunteers and contractors, and removal from any officer position and/or a request to resign for Board Members.

Retaliation against any person for complaining about harassment, or participating in a harassment investigation, is prohibited. Suspected retaliation should be reported in the same manner as harassment. Intentionally false harassment reports, made to get someone in trouble, are also prohibited. Retaliation and intentionally false reports may result in disciplinary action as indicated above.

The following definitions are provided for guidance only. If a student or other individual believes there has been harassment, regardless of whether it fits a particular definition, s/he should report it and allow the administration to determine the appropriate course of action.

Harassment

- A. submission to such unwelcomed conduct or communication is made either an explicit or implicit condition of utilizing or benefiting from the services, activities, or programs of the School District;
- B. submission to, or rejection of, the unwelcomed conduct or communication is used as the basis for a decision to exclude, expel or limit the harassed student in the terms, conditions or privileges of the School District;
- C. the unwelcomed conduct or communication interferes with the student’s education, creates an intimidating, hostile or offensive environment, or otherwise adversely affects the student’s educational opportunities. This may include racial slurs, mocking behavior, or other demeaning comments.

Sexual Harassment, may include, but is not limited to:

- A. verbal harassment or abuse;
- B. pressure for sexual activity;
- C. repeated remarks with sexual or demeaning implications;
- D. unwelcome touching;
- E. sexual jokes, posters, cartoons, etc.;
- F. suggesting or demanding sexual involvement, accompanied by implied or explicit threats concerning one's grades, safety;
- G. a pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another;
- H. remarks speculating about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history;
- I. Sexting

Confidentiality

Every reasonable effort will be made to maintain confidentiality during the investigation process. However, a proper investigation will, in some circumstances, require the disclosure names and allegations.

BEAR LAKE SCHOOL STUDENT NETWORK AND INTERNET

ACCEPTABLE USE AND SAFETY AGREEMENT

To access e-mail and/or the Internet at school, students under the age of eighteen (18) must obtain parent permission and must sign and return this form. Students eighteen (18) and over may sign their own forms.

Use of the Internet is a privilege, not a right. The Board's Internet connection is provided for educational purposes only. Unauthorized and inappropriate use will result in a cancellation of this privilege.

The Board has implemented technology protection measures which block/filter Internet access to visual displays that are obscene, child pornography or harmful to minors. The Board also monitors online activity of students in an effort to restrict access to child pornography and other material that is obscene, objectionable, inappropriate and/or harmful to minors. Nevertheless, parents/guardians are advised that determined users may be able to gain access to information, communication and/or services on the Internet which the Board of Education has not authorized for educational purposes and/or which they and/or their parent/guardians may find inappropriate, offensive, objectionable or controversial. Parents/Guardian assumes this risk by consenting to allow their students to participate in the use of the Internet. Student's accessing the Internet through the school's computers assumes personal responsibility and liability, both civil and criminal, for unauthorized or inappropriate use of the Internet.

However, I recognize that it is impossible for the Board to restrict access to all objectionable and/or controversial materials that may be found on the Internet. I will not hold the Board (or any of its employees, administrators or officers) responsible for materials my child may acquire or come in contact with while on the Internet. Additionally, I accept responsibility for communicating to my child guidance concerning his/her acceptable use of the Internet – i.e., setting and conveying standards for my daughter/son to follow when selecting sharing and exploring information and resources on the Internet. I further understand that individuals and families may be liable for violations.

To the extent that proprietary rights in the design of a web site hosted on the Board's servers would vest in my child upon creation, I agree to assign those rights to the Board.

NOTIFICATION TO PARENTS OF DIRECTORY INFORMATION

In compliance with Federal regulations, the Bear Lake School District has established the following guidelines concerning student records:

- A. Mrs. Renee Mallison is the District Records Officer responsible for the processing and maintenance of all students. Her office is located at the main office or she can be reached by calling 864-3133.
- B. Each student's records will be kept in a confidential file located at the student's school office. The information in a student's record file will be available for review only by the parents or legal guardian of a student, adult student (eighteen years of age or older), and those designated by Federal Law or District regulations.
- C. A parent, guardian, or adult student has the right to request a change or addition to a student's records and to either obtain a hearing with District officials or file a complaint with the U.S. Office of Education if not satisfied with the accuracy of the records or with the District's compliance with the Federal Education Rights and Privacy Act.
- D. The District has established the following information about each student as "directory information" and will make it available upon a legitimate request unless a parent, guardian, or adult student notifies the Records Control Officer in writing within thirty (30) days from the date of this notification that s/he will not permit distribution of any or all of such information:
 - Name, address, and telephone number; date and place of birth; photograph; major field of study; participation in officially recognize activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation and awards received; and any other information the District considers would not be harmful or an invasion of privacy, if disclosed.
- E. A copy of the policy and the accompanying guidelines are available at the Board office and at all school offices. There will also be a person available to answer any questions concerning the policy or guidelines.

NOTIFICATION TO PARENTS ON BLOOD-BORNE PATHOGENS

Dear Parent:

The District is subject to federal and State regulations to restrict the spread of hepatitis B virus (HBV) and human immune deficiency virus (HIV) in the workplace. These regulations are designed to protect employees of the District who are, or could be, exposed to blood or other contaminated bodily fluids while performing their job duties.

Because of the very serious consequences of contracting HBV or HIV, the District is committed to taking the necessary precautions to protect both students and staff from its spread in the school environment.

Part of the mandated procedures include a requirement that the District request the person who was bleeding to consent to be tested for HBV and HIV. The law does not require parents or guardians to grant permission for the examination of their child's blood, but it does require the District to request that consent. Although we expect that incidents of exposure will be few, we wanted to notify parents of these requirements ahead of time. That way, if the situation does develop you will understand the reason for our request and will have had an opportunity to consider it in advance. These are serious diseases, and we sincerely hope that through proper precautions and cooperation we can prevent them from spreading.

If you have any questions or concerns, please contact Renee Mallison at 864-3133.
