Dear Families,

Today we were made aware that 2 elementary students, a middle school student, and a high school student tested positive for Covid-19. At this time our quarantine policy for Covid Positive students is as follows:

1. The individual must quarantine for a minimum of 5 Days.
2. If fever free for 24 hours and symptoms are improving, the individual may return on Days 6-10 in a properly fitting mask covering their mouth and nose.
3. If fever continues and/or symptoms do not improve, the individual will continue to quarantine for up to 10 Days.

Feel free to call me with any questions or concerns you may have. Should you have any questions for the Health Department you can reach them at 231-723-3595.

Sincerely,

Jake Veith

Jake Veith, Superintendent
Bear Lake School District
